ASSEMBLY OK'S THORNTON FUNDS

Ask Voters Tuesday To Approve Loan Of $2,500,000 For School Buildings

A total of 12,293 residents of the Jefferson elementary school district will be eligible to vote in Tuesday's election which, if successful, will enable the district to borrow up to $2,500,000 in state loan funds.

Slogan of the citizens' committee is "Spend a Little—Get a Lot," Peter Markovich, committee chairman, said today.

"A sum of less than a $1 per year certainly is a small amount toward insuring our youngsters of an education they so rightfully deserve," Markovich stated. " 'Get a Lot' will reflect in their educational, social and cultural background in the future."

The chairman emphasized the fact that Tuesday's vote is not a bond election but only authorizes the district to borrow needed funds from the state under Chapter 19 of the education code.

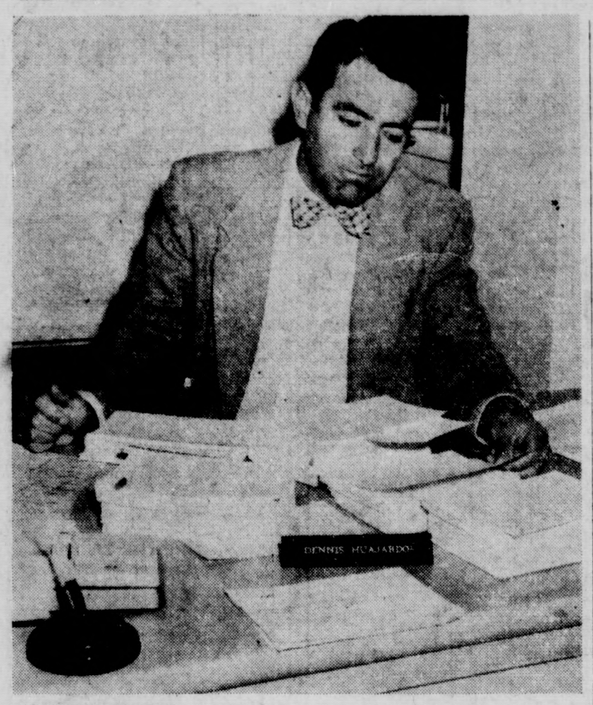
"If we don't step in to borrow this sum it will be granted to some other impoverished district, and our youngsters will be robbed of their given rights of a full education," Markovich added.

He explained that 40 classrooms are required to take care of present needs, plus another 26 rooms by 1958. The requested $2,500,000 should provide for needed space until 1958, he said.

Eight polling places located throughout the district will be open from 7 a.m. to 7 p.m.

Following is a list of polling places: precinct 1, Crocker school, 649 Bellevue avenue; precinct 2, Woodrow Wilson school, 43 Miriam street; precinct 3, Jefferson elementary school, 14 Alemany street; precinct 4, S. R. Johns residence, 820 Stoneyford drive, Colma, precinct 5, Garden Village school, end of Village Lane, Colma.

Precinct 6, Westlake school, Fieldcrest and Lake Vista avenues; precinct 7, Olympia school, 400 Northgate avenue; precinct 8, Colma school, Hillside and Market streets.



SNOWED UNDER — Dennis Huajardo, Jefferson elementary school district physical education coordinator, wades through almost 10,000 cards compiled by PTA workers for the San Mateo county continuing survey. Of the 10,000 cards released, all but two per cent were returned, Huajardo said in complimenting the volunteer workers. When completed, the survey is expected to give indication of the future enrollment in county school districts thus allowing for more accurate building plans.

Heather Farm Sold For $1,000,000 To Atherton Developer

Sale of Heather Farm in Walnut Creek for $1,000,000 was announced today by Mrs. John W. Marchbanks, owner and widow of one of Daly City's founders.

The 250-acre farm once known throughout the world as a horse-breeding ranch, was sold to Thomas G. Stone of Atherton, representing a land development company. The new owner plans to subdivide the property for construction of homes.

Daly City pioneer John Marchbanks established the farm in 1917 and developed leading thoroughbred race horses there.

In announcing sale of the land, Mrs. Marchbanks said, "I did not want to stand in the way of progress. Mr. Marchbanks always felt the same way."

RECALL SIGNATURES FALL FEW SHORT OF GOAL

Petitions to hold a recall election for three Daly City councilmen fell a few signatures short of the legal amount Tuesday, but the recall forces are expected to obtain the necessary number within a day.

When certified by City Clerk B. C. Ross yesterday morning, the separate petitions showed the following number of signatures: Del Wilson, 1038; Sanford Vickers, 1028; Micheal De Bernardi, 1009.

A total of 1061 signatures, or 12 percent of the voters registered on January 12, was required.

After learning the signatures fell short of the goal, Paul Selmi, leader of the recall group, immediately began circulating supplementary petitions to gain the required number.

Once the necessary signatures are obtained, they will again be checked by the city clerk, after which they will be certified to the city council and an election date will be set. The recall forces have 15 days in which to obtain the signatures, but are expected to obtain the few needed this week.

Recall of the councilmen is sought by the Better Government for Daly City Group for alleged "improper bidding procedures, disregard of the rights and wishes of the people, and violation of legally required fiscal procedures."

Investigate DC Janitor In Fatalities

A 59-year-old Daly City janitor faces a possible manslaughter charge after he was involved Wednesday afternoon in a Junipero Serra boulevard accident in which two women were killed and a young model seriously injured.

Scheduled to appear in the district attorney's office yesterday (Thursday) afternoon was Edward Hutchison, 59, of 6925 Mission street. Although a technical charge of investigation of manslaughter was placed on Hutchison, he is free without bail.

District attorney and highway patrol officials said today that investigation of the collision will probably take several days.

Highway patrol officers said the accident occurred just a mile south of Colma at 1:50 p.m. when a southbound car hit the rear of Hutchison's auto, then veered into the northbound lane and crashed head-on into another vehicle.

Hutchison said he turned right to swing around a funeral procession. As he drew abreast of an auto driven by Mrs. Vera Billings she also turned right, striking his rear fender and then plunging into the other lane.

Mrs. Billings, 1222 Cole street, San Francisco, was killed instantly when she was thrown six feet from her auto. Also killed was Mrs. Carl Abele of 3101 Sunset terrace, San Mateo, a passenger in the car into which the Billings auto crashed.

Mrs. Abele's daughter, Karlyne L. Schultz, 24, a Stockton fashion model, driver of the vehicle in which her mother was riding, suffered serious injuries and was taken to Junipero Serra hospital. Attendants there reported Miss Schultz today to be in "satisfactory" condition and said she suffered a broken collarbone and nose, concussion and severe face and body cuts.

Budget for state parks, which included an allocation of $400,000 for acquisition of additional land for Thornton Beach State Park in Daly City, passed the State Assembly this week and will go to the Senate for final scrutiny.

The overall parks and beaches budget of $33,000,000 will go to the floor of the Senate today (Friday) at 10 a.m. with a "pass" recommendation from the upper house's finance committee.

Thornton Beach, first unit of a state master plan for development of shoreline parks in San Mateo county, will include 49.7 acres of land, 3100 feet of ocean frontage.

A total of $400,000 has been tentatively budgeted for land acquisition. The state seeks to acquire more property along the beach and extend inland "where subdivisions are rapidly removing public possibilities."

As called for in the proposed budget, the following amounts will be allocated for capital outlay: two comfort stations, $16,000; roads and parking, $20,000; fence, $10,000; water distribution lines, $3500; beach access ramps, $8000; erosion control, $4000.

However, when this budget was formulated, the division of beaches and parks did not figure on the heavy erosion damage which was suffered at Thornton beach late last year. A landslide eliminated the few facilities already present and closed the road, making the park area inaccessible.

Ranger Glenn Jackson has already been assigned to the area, but has been doing mainly patrol work to prevent dumping and loitering on the property.

Should the Senate approve allocation for the park, the money would become available on July 1 of this year, after which actual construction work would start, making the park available possibly late this year. The state anticipates the park will serve a potential population area of 3,000,000 persons.

San Mateo county is participating on a matching fund basis to the extent of $83,000. This money will go to acquire further shoreline park property further south in the county.

GINO PRATO, the cobbler with the Operatic penchant who won $32,000 on the $64,000 Question TV program, paid a visit to GEORGE'S SHOE REPAIR, 6446 Mission street, Daly City, last week.

In departing, he promised owner GEORGE McKENZIE that he'd be back in July.

At that time, George is planning a special celebration.

The local cobbler avowed that Prato is "one of the finest guys you've ever met. He's done more for the shoe repair business than any other single thing."

LEON HURST, local businessman who lives at 109 Parkview, was among the elite receiving an invitation to attend the Motorama Preview this Friday night.

Acquaintances bet Leon he'd never get an invitation to the preview, because it's reserved for High Society and business moguls.

JR. STATESMEN MEET AT JEFF HI FOR CONFERENCE

Development of the Feather River dam and hydro-electric project and the distribution of surplus food supplies to needy countries were among the resolutions considered Saturday when Jefferson Union High school hosted the Golden Gate region of the Junior Statesman of America.

A total of 150 members from 20 high schools met here for the day-long confab. Convention chairman was Kay-Robyn Cook, while Margaret O'Brien is president of the local chapter.

The convention, rated by visiting statesmen and faculty members as one of the best ever held, was opened by John P. Mongan, assistant superintendent and Jefferson principal. Since the date of the convention fell on St. Patrick's day, Mongan reminded the dele-

Sutter Scion OKs Moving Body To Calif.

A bill to exhume the body of California Pioneer John A. Sutter and return it to Sutter's Fort outside of Sacramento passed the State Assembly this week and is expected to be met with favor in the Senate.

The legislation to return Sutter's body from Lititz, Pa., was authored by Assemblyman Richard Dolwig. It called for an allocation of $2000 from the parks and beach fund to exhume his body and transport it here.

Although a Pennsylvania religious group opposed the removal of the famed gold rush pioneer's body, Mrs. Anna Sutter Young of Daly City, only living granddaughter of the historic character, requested that his body be returned to this state.

Mrs. Young, who is carrying on the family claim against the government for $50,000 which Sutter alleged was owed him after squatters invaded his land, lives at 276 Acton street.

The claim has been introduced in Congress by Representative J. Arthur Younger of the Ninth Congressional district.

JUDGE TO HEAR JOHNSTONE PLEA FOR NEW TRIAL

Motion for a new trial for David H. Johnstone, Jr., fired 10 months ago from his job as Daly City police inspector, is scheduled to be heard in superior court on Tuesday.

Originally scheduled for Tuesday of this week, the motion was continued when Johnstone's attorney, John J. Fahey, Jr., was found to have another case set is San Francisco on the same day.

Following trial in September, Superior Judge Edmund Scott denied a petition for a writ of man-

COPS CITE DC MAN WHILE REAL CULPRIT ESCAPES PUNISHMENT

Dog belonging to a Daly City longshoreman was blamed for causing his owner's auto to sideswipe another car on San Joaquin avenue Tuesday night.

Eddy Colvin, 47, of 275 Hillcrest drive, told officers that his dog jumped onto his back as he was driving, causing him to swerve and hit a parked auto.

Police said the damaged parked car belonged to Luellen Gwendolyn, 25, a delivery driver of 83 San Joaquin avenue.

Colvin was cited without due caution.

DC Man Held In Bookie Round-Up By SF Police

A Daly City resident was among those seized by San Francisco police and Federal T-men Wednesday in what was described as "the biggest bookmaking operation now going in San Francisco."

Among those arrested was Lorenzo Robert Bills, 36, of 471 Southgate avenue, one of the proprietors of Wright Billiard Hall, 82 Ellis street, declared by police to be the center of the illegal operation.

Officers said they found $337 in cash on Bills' desk. They estimated the daily gross of the operation was $1500 to $2000.

A tiny make-shift room hid in the attic of the billiard hall was the actual bookmaking center, police said.

The secret room was reached by climbing a flight of stairs from the second-floor billiard parlor, crossing an abandoned cardroom, climbing through a trap door in the wall and crossing a catwalk of planking to the far end of the attic.

Bills was found in the paneled front office of the billiard parlor.

According to Sgt. George Scully, the better had to telephone Bills in the front office of the place. Bills would then relay the bet by telephone to the secret room upstairs and destroy the record of the transaction, Scully related.

Bills was arrested on a technical charge of suspicion of bookmaking. He was released on bail of $2500 set by Municipal Judge Leonore Underwood. Date for his preliminary hearing has not been set.

LEWKOWITZ FILES FOR SCHOOL RACE

Incumbent Joseph Lewkowitz Monday became the first candidate to file for the Jefferson elementary school district board election scheduled for May 18. Meanwhile, area residents were reminded that they have only until Sunday at 5 p.m. to register for voting in the various school trustee elections.

No candidates had filed at press time for the vacant position on the Jefferson Union High school board. Deadline for filing for the two school races is April 18.

Lewkowitz, 501 Vista Grande avenue, is already engaged in the Daly City council race to be held April 10. He told THE RECORD today that he will drop his name from the school race if he is successful in the city council election.

"I don't believe in mixing politics with school," Lewkowitz said in explaining his decision to resign from the trustee race if he is elected to one of the council seats.

Other Jefferson elementary school board seat up for election is now being held by Chairman Michael Callan who has not yet announced whether he will seek re-election.

Mrs. Mildred McGeein, whose term on the Jefferson Union High school board expires this year, has announced that she will retire.

Mrs. Vivian Schember and Robert Hale of the Laguna Salada school district have stated that they will both seek re-election but so far have not officially filed.

TWO DC CHILDREN HURT IN SEPARATE ACCIDENTS HERE

Two Daly City youngsters were injured when struck by autos in different accidents here Saturday.

Most seriously hurt was Jack Schuchart, 13, of 697 Orange street, who was hit by an auto at 2:37 p.m. Saturday afternoon at the intersection of Chester and Orange streets. Driver of the car was Isabelle W. Sculco, 46, a PBX operator of 3655 Folsom street, San Francisco.

Police said Miss Sculco was driving west on Chester street when her auto collided with the boy, throwing him against the windshield and causing the vehicle to skid 120 feet across the road.

The youth was given emergency treatment at Junipero Serra hospital where attendants said he suffered face cuts and a possible

S.F. COOK ARRESTED FOR CIGARETTE THEFT

George Edward Sampson, 49, a cook living at the Elgin hotel, 17th and Mission streets, found out the hard way this Thursday that "the only way" he can live is not quite acceptable.

Elgin was arrested by Daly City police after he walked out of the Hilltop Market with four cartons of cigarettes without paying for them, according to a police report.

He claimed that it was the only way he could live, and admitted prior arrests for similar offenses, the report said.

Unable to raise the $250 cash or $500 bond bail set by Judge Thomas L. Bocci, Elgin was held at the Daly City police station until he appeared in court this morning (Friday).

Taxi Firms Vie For Permit Here; Matter Held Over

Applications of two firms for permits to operate taxi cabs here were held under advisement by the city council Monday night, after an hour and a half hearing which found the present taxi company, Hilltop Cab, protesting both applications.

John Putkey, attorney for Hilltop, asserted that both companies had failed to show any need for more taxi cabs here, and he claimed that his client's five vehicles were giving adequate service to all parts of Daly City.

Philip S. Mathews appeared as attorney for Yellow Cab Co., while Nicholas Barbarotto represented George Mountanos, 757 Beechwood drive, who seeks to establish the Westlake Taxi Co. at 189 Southgate avenue.

Mathews cited the safe and efficient operation of Yellow Cab as evidence that the firm was qualified to operate here.

Quotes Figures

He also quoted figures intending to show that there are less cabs per capita in Daly City than in any other Peninsula community, as Barbarotto attempted to point out two weeks ago when the hearing opened.

Mathews said one cab for every 2500 people was the recommended minimum. "There's room in Daly City for 12 more cabs and the ratio of cabs per person would still be less than in other cities," the attorney claimed.

He declared there was "a crying need for more transportation in Daly City." Mathews also pointed out that the $1 sur charge, made whenever a passenger crosses the county line going into or out of Daly City, could be eliminated if Yellow Cab was granted permit to operate here.

Efficiency?

Referring to Hilltop Cab's figures introduced earlier which

Transfer Tom Drake Rape Attempt Case To Superior Court

Thomas Drake, 27, local auto dealer, was held to answer to superior court this Thursday when he appeared before Municipal Court Judge Thomas L. Bocci for preliminary hearing. Drake, 32 Second avenue, had formerly entered a not guilty plea to a charge of attempted rape.

After being booked at the county jail yesterday afternoon, the auto dealer was released on $1000 cash bail, reduced from the original $5000 by Judge Bocci. Date for appearance in superior court is still to be scheduled.

Complainant against Drake is a 19-year-old San Francisco girl who charges that the auto dealer attempted to rape her on February 19, only a few days after he returned from his honeymoon with his bride.

The alleged victim, who is separated from her husband, and is the mother of a year-old baby, claims that the incident occurred when she applied for a job at Drake's Mission street auto lot. The girl charges that the used car dealer took her to a friend's apartment and then tried to assault her.

Police were called when she fled the apartment and collapsed in hysterics at a nearby tavern.

BURGLAR ESCAPES WITH $165 LOOT, SHOT OF WHISKEY

A burglar who escaped with $165 worth of loot from a Daly City home Thursday also availed himself of a shot of whiskey from the kitchen cupboard.

Police said that the burglar ransacked two bedrooms at the home of Peter Cancilla, 683 Florence avenue, on Thursday afternoon. Reported missing were $65 in cash, and a ring and watch together valued at $100.

Entry was made through an open garage door, officers said.

JUNIOR STATESMAN delegates from 20 high schools met at Jefferson Union High school Saturday for a day-long convention of the Golden Gate Region. The local school was host to 150 members of the organization who heard speakers: John P. Mongan, assistant superintendent and Jefferson principal; Robert Smith, California Youth authority representative, and Leland Jameson, parole officer. Margaret O'Brien is president of the local chapter, and Kay-Robyn Cook served as convention chairman.

tory relief.

Named as defendants were Thomas Callan, Jr., Michael C. Callan and Joseph C. Caesar.

The property involved includes five Daly City lots that the Contis owned for 23 years, according to the complaint.

According to the suit, the Contis agreed in 1953 to sell the property to Thomas Callan, Jr., son of Thomas Callan, chairman of the county board of supervisors, for $40,000.

The only payment it was alleged, however, was $500 which was sent back to Callan because the agreement was obtained by Callan "through fraud, misrepresentation and deceit."

After Callan transferred the lease to the construction company, the Contis signed an option and lease agreement with Siri's Inc. to lease the property for 25 years at a total rental of $108,000, the complaint states.

The complaint charges that a title search disclosed that Callan had transferred the deed, causing the Conti's lease agreement to be turned down.

The Contis want the court to declare that the defendants have no title to the property, to void recording of the deed and to award them $108,000 for loss of their business deal plus $10,000 punitive damages.

DC Man Hurt In Fall

A 71-year-old Daly City man was taken to Junipero Serra hospital for treatment Friday after he fell at his son's cleaning establishment at Market and Hillside boulevard.

Walter Herschel, 298 Westlake avenue, father of William Herschel, was visiting at the shop when he suffered an attack and fell down. After treatment for cuts suffered when he fell, Herschel was released from the hospital.

Officers said that the accident occurred when the child ran from behind a parked auto in front of his house and was struck by a car driven by Meade C. Murphy, 47, a chauffeur of 171 Roosevelt avenue, San Francisco.

Bruce was taken to Junipero Serra hospital by his parents, police said.

Local Couple Seek Accident Damages

Mr. and Mrs Raymond Bocci, 68 W. Cavour avenue Daly City, filed suit in Redwood City last week for $125,000 damages for injuries sustained by Mrs. Bocci January 14 in a Bayshore traffic accident.

Named as defendants were Mr. and Mrs. John A. Medeiros, 30 Dexter avenue, Redwood City, and Mr. and Mrs. Philip Cancilla, of San Jose.

Police said that Mrs. Medeiros' northbound car swerved over the double line, sideswiped an auto driven by Cancilla and crashed head-on into the car driven by Mrs. Bocci.

In the damage suit Mrs. Bocci asks $100,000 general damages for her injuries, and her husband seeks $25,000 for loss of services, society and comfort of his wife.

INSTRUCTOR PUTS OUT JEFF AUTO SHOP FIRE

A fire broke out yesterday (Thursday) in the auto shop at Jefferson high school off San Diego street, but damage was averted when an instructor quickly extinguished the blaze.

Joseph Lassegues, a shop teacher at Jefferson, used a foam extinguisher to put out a fire which broke out while students of his auto shop class were working on the carburetor of a 1949 sedan. A welding torch being used 15 feet away set off the gasoline in the carburetor.

Four pieces of equipment were dispatched to the school, according to Daly City fire chief Elmer Kennedy, but the fire had been put out by the time they arrived. No damage was done to the shop, although the auto was slightly damaged.

showed the low level of wages for their employees, Barbarotto said that should the council uphold Hilltop's arguments, "It would presume that Hilltop Cab is operating at the peak of efficiency. I don't say that management or mis-management is present. I'm merely saying that to adopt Mr. Putkey's arguments would be to assume the highest type of efficiency was present."

Barbarotto, attacking Putkey's claim that only five to 10 per cent of Hilltop Cab's business came from Westlake, said that the people in that area "are not cab conscious. They don't know they have cabs at their disposal."

Mountanos' attorney said, "We can prove by statistics the need for more taxicabs here." He then submitted his figures comparing ratio of cabs per person in other Peninsula communities, which showed there was one cab for every 2500 people in other cities, while there was one cab for every 6000 people in Daly City.

Putkey charged that the other attorneys were "Well-heeled with statistics, but completely devoid of facts. I thought they would show a need. But no effort whatsoever has been made to do this."

Putkey also charged that Yellow Cab did not plan to start a Daly City taxi service, but merely to extend their San Francisco operation out here.

The Hilltop Cab attorney declared that if there was a need for service, "People from Westlake and other areas would be here tonight to present themselves to the council. That is the most indicative lack of need."

Putkey also charged that the majority of the council was antagonistic towards George Kirchhubel, one of the owners of Hilltop Cab. Kirchhubel is also a co-owner of the Hilltop Lodge, which was closed down by the state board of equalization after an investigation kicked off by the council.

"The reason I point this out," Putkey continued, "Is that you (the council) are sitting for the purpose of determining if you should extend the service. You must base your decision on the need of Daly City as a whole."

"The applicants have not substantiated their position in any way," he concluded.

Thieves Loot Car While Owner Attends Church

Thieves took $15 worth of clothing from the auto of a 20-year-old Marine Sunday morning while was attending Mass at Our Lady of Perpetual Help church.

The victim, William L. Boyle of 663 San Diego avenue, told police that the car was parked at the rear of the church. Reported as missing were a barrack's cap and a jacket.

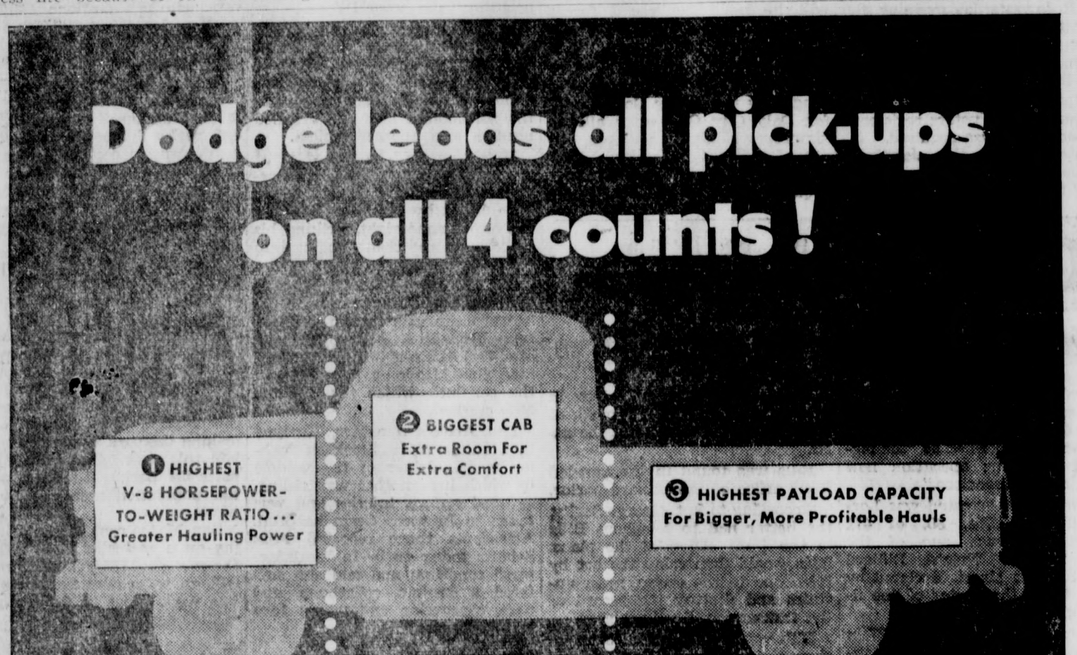
Dodge leads all pick-ups on all 4 counts!



Don't buy a truck blindfolded...

Check Dodge before you buy, and get more truck per dollar!

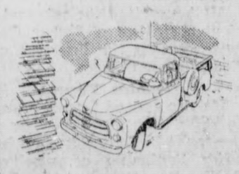
Choose any yardstick of comparison you can name—you'll find no other truck measures up to today's bigger, more powerful DODGE.

Prove it yourself. Give the new truck you may be *thinking* of buying a good, thorough going over. Dig into its payload rating, horsepower-to-weight ratio, cab size, performance, and price. Get the *facts*, right from the engineers' specification book. Then take time to . . .

Check Dodge. Match every one of these points against what you get in a DODGE truck, and see how much more Dodge gives you for each dollar you invest.

You owe it to yourself to get the best buy for your money, so be sure to get your Dodge dealer's deal before you decide—before you make the unfortunate mistake of paying *more* for your next truck and getting *less*.

Easier on driver—especially with automatic transmission. You get the largest cab for greater comfort, largest wrap-around windshield for greater safety.



Easier to turn. Dodge has industry's shortest turning radius—requires much less effort to park, make U-turns, maneuver through heavy downtown traffic.

Easier to load. Low body-floor means just an easy lift from ground to truck, saves you work every time you load, every time you unload.

Easier on gas. Dodge higher horsepower-to-weight ratio means less pulling effort required of engine, assures greater efficiency, maximum gas economy.

ADD YOUR NAME TO THE LIST

The State of California has made available funds which are allocated to needy school districts. These monies are used primarily for construction of classrooms, a fundamental need in any education system.

The Jefferson Elementary School district falls in the classification of needy. Classroom construction already lags behind the influx of new children converging on the schools, and the situation will worsen when the army of present infants reach school age in the next few years.

For this reason, voters of the district will go to the polls next Tuesday to decide whether or not the district shall be allowed to borrow up to $2,500,000 for construction of new classrooms.

This is not a bond issue. Re-payment of this loan is based on a district's financial ability to make repayments.

As computed by school officials, the loan will add approximately 76½ cents a year in taxes per homeowner whose dwelling is assessed at $3000.

Should the citizens reject authorization to borrow the money, the figure of 1200 children now on double sessions would be almost doubled by 1958. Instead of more and more youngsters being put on a "full time education" double sessions would become more widespread.

Right now, the district is confronted with statistics which contend that a high percentage of students are far below norm in reading and other academic achievements.

This sorry condition can be directly attributed to double sessions.

No educational system can give proper instruction in half a day. It's simple arithmetic. The students attending all day under similar conditions as the students attending only half a day, are going to acquire probably twice as much knowledge.

No parent, given an opportunity to choose between an adequate education and a token exposure to learning for his child, would accept the latter.

So it follows that voters of this district should approve the authorization to borrow by a resounding margin.

The loan issue is widely endorsed by leading members of the community.

Why not add your name to the list?

RECORD Enables Army Captain To Keep Up With Daly City News

Gentlemen:

While at Fitzsimmon's Army hopital in Denver, I enjoyed receiving THE RECORD and was able to keep up with local Daly City news.

Since my reassignment to Korea the paper is no longer being delivered to me, to my regret. I would greatly appreciate if you would once again change my address in your circulation department so that I may again receive your paper.

Very truly yours,
George Riba, Captain

Building Total Tops San Bruno and SSF

Daly City's two-month 1956 building total of $3,165,581 put them higher than either San Bruno or South San Francisco for the first time in many years.

This is due mainly to the $2,508,676 permit for Westmoor high school, which brought the Daly City February total to $2,781,772, believed to be the biggest February construction total in northern San Mateo county.

McKenna Files First For Assembly Post

Attorney John M. McKenna, of San Mateo, of the State Finance committe for Kefauver For President, became the first candidate today to file for election in the June primaries as Assemblyman from the 25th district.

McKenna, said he is cross-filing as an independent Democratic candidate.

"I do not believe that a small group of self-appointed kingmakers should be allowed to select the only candidates to run for a public office," McKenna stated.

He said that the caucus method used by both candidate selection groups results in "nothing more than the deprivation of any choice by the voter as to candidates in the general election, which after all, is the purpose of a primary election."

McKenna has been a resident in San Mateo county for 10 years and lives at 210 Chesterton place, San Mateo.

TEACHERS, PUPILS, GET WEEK OF REST

Students and teachers of the Jefferson Elementary and High School districts start the Easter Holiday today, and will return to "hit the books" on April 2.

Elementary school teachers and students start their vacation a day early, because of the teacher science workshop being held today (Friday).

City Candidates Tell Platforms

Joe Lewkowitz

According to statements from Joe Lewkowitz this week, he wanted to publicly announce he is not the candidate of any group or special interest who is writing or dictating his platform, rather is supported by the masses of independent supporters. All of whom believe in the platform first laid down by Joe Lewkowitz.

It was his contentions the people had tried the present city manager form of government with growing dislikes and strong outward expressions for its removal therefore we should reinstate a city administrator with Fire and Police Commissions until such time as the people themselves vote their approval for a change in the form of administration.

The only thing worse than a raise in tax rate is the establishment of a regressive form of taxation where those least able to pay suffer the greatest burden as the elimination of cash discount in water bills which equals an average of 10% raise in taxes. The practice of Home Rule should be returned as is the case of returning the assessors duties to the city clerk. He was much concerned over the use of money collected from parking meters as it was agreed at the time of their installation the money would be used to provide additional off street parking activities. This would be one of the greatest services that could be provided for patron and merchant

Under the leadership of the incumbents every veteran, civic and fraternal organization have been delt a dastardly blow in the failure of the incumbents to provide the services and the availability of the War Memorial Building. They have failed to keep the purpose for which the bonds were sold. The bonds were sold by public support for the purpose of building a War Memorial and recreation building for use by veteran, civic and fraternal organization at nominal fees for maintainance, not cost that include redemption of the bonds which have been given for the purpose.

JANE KEITH

This past week my campaign material and character have received sharp criticism from some members of the "recall" group. To them, my fighting tactics have not been "clean" because, in stating my reasons for becoming a candidate for the office of City Treasurer, I have dared mention a matter which I consider much more important than the getting this full time Treasurer's job which I very much want to have.

Yes, I have "dared" mention the "recall" group's actions in regard to all members of our City Council and worse still, according to my criticizers, I have strongly disagreed with the "recall" group right down the line! But I will continue to "dare" because I feel that our form of Democracy is the best possible form of government—and that "recall" tactics as demonstrated here are a threat to that government!

The Frenchman Voltaire once wrote: "I disagree with what you say, but will defend to the death your right to say it," and to me, that saying could serve as a description of the very bones and blood of our American Democracy.

I do not and have never questioned the right of any group to fight with really democratic weapons for what they feel is good. I do feel that Mr. Selmi as City Treasurer and Mr. Selmi, at the same time, as head of and constantly publicized leader of the "recall" group is not acting in a right and proper manner.

To my way of thinking, anyone elected by the people becomes the servant — not master — of those people. And a good servant concerns himself with constructive rather than destructive action in his master's house. Mr. Selmi's concern with such delightfully inane questions as "Why does the City Manager use the back door of the City Hall?" (It's closer to the garage) and "Counting the Pennies" — make me seriously doubt whether Mr. Selmi is capable of being either master or servant.

My ten years of residence in Daly City has given me some time, at least, to look at developments on the political scene As a candidate—and a greenhorn one at that—I find it impossible to walk a straight and narrow path to personal ends. The "citizen's" look from side to side has become too much a habit with me—and if what I see disturbs me—I shall speak my mind on it regardless of the consequences to my candidacy for the office of City Treasurer!

Search your own hearts and minds before this coming April 10 election—and that possible and expensive one which may come up later.

I remain sincerely your candidate, Jane Keith.

Research in the development of Roquefort-type and Romano cheeses by the University of California has resulted in commercial production of these cheeses in the state.

Joseph J. Verducci

Mayor Joseph Verducci came to Daly City government with a background of leadership in education and military service.

In the past four years he has demonstrated this same ability in public office. A graduate of the University of California, Verducci currently serves as director of athletics and head football coach at San Francisco State college. While in the U. S. Coast Guard he held an important position in the recruit training program.

His abilities have paid off for Daly City—in every single department.

For example, since Mayor Verducci took office Daly City has built one of the most effective fire departments in the Bay Area. Boasting 19 full-time firemen, 45 volunteers, Daly City's fire department is now looked upon by others as a model.

Six pieces of fire fighting equipment, a pick-up truck and a sedan are on stand-by to protect the lives and property of Daly City residents.

During Verducci's term in office, a modern new fire station was constructed to serve the growing population. It was built with funds voted by taxpayers at a bond election.

Because of the extent of Daly City's fire fighting facilities, the National Board of Fire Underwriters is expected to place Daly City in a higher safety classification when they conduct a survey here this year. This will mean savings in fire insurance of between $3 and $5 a year for each homeowner

"In the fire department, as with all other phases of government," Verducci said, "I will continue to work for the maximum in services to the people, while at the same time exercising close scrutiny over costs. I believe the ultimate in government is to achieve the best possible services while holding the tax rate to a level which will not impose hardships on the citizens."

Verducci, popular Bay Area sports personality and educator, lives at 118 Wilshire avenue with his wife and three children. He is the son of a pioneer Daly City family that has resided here more than four decades.

Harry Ross and PETER BECKER, JR.

Although we are both contenders for positions on the city council as independent candidates, one representing Business and the other Labor, we find that our determination of civic principles and theory are identical. Therefore, we feel that it is proper to merge our forces in a united campaign.

We pledge our undivided efforts to the fulfillment of the following objectives.

1. Replace Howard Stites as city manager and dismiss the numerous unnecessary personnel he has appointed; approved by present city council.

2. Protection of work for our permanent city employees by restoring security in our civil service ordinance; discredited by present city council

3. Re-establish the police and fire commissions and the parking authority; dismissed by present city council.

4. Restore the 25-cent monthly discount upon payment of current water bills; discontinued by present city council

5. Ordinance making it mandatory that parking meter monies be placed in a separate fund to be expended only for off-street parking facilities; rejected by present city council.

6. Proper analization of the 1955 chamber of commerce surveys on available industrial commercial and off-street parking shunned by present city council.

7. Appoint a citizens committee to coordinate planning on civic and school expansion programs; bypassed by present city council.

8. Appoint a disaster preparedness committee to restore and coordinate protective units; neglected by present city council.

We humbly request the assistance of all civic-minded voters who believe the fullfillment of the above objectives are of the utmost importance to the efficient administration and civic development of Daly City.

Colma ROTC Student's Branch Assignment OK'd

Richard V. Bergstresser, 107 Garden Lane, Colma, was one of the 38 cadets of the ROTC battalion of Pomona college and Claremont men's college whose active duty branch assignments were approved by the department of the army, it was announced recently by Lt. Col. Robert F. Galer, professor of military science and tactics.

Bergstresser, a student at Pomona college, was assigned to the signal corps Within 12 months after graduation he will go on active duty for two years as a second lieutenant.

PAUL HUPF

Paul Hupf, popular young attorney and civic leader who seeks a city council position at the April 10 election, today announced the third part of his platform.

"Our transportation system needs a thorough re-examination," Hupf stated.

"Not only is good transportation vital to individuals who depend on it to reach their place of employment," Hupf continued, "But it is an important convenience for the housewife, shopper and school children. "In addition to these factors, it is vital to the community's economy and can increase real estate values. On the other hand, inadequate transportation hurts business, lowers property values and inconveniences the hundreds of persons who must depend on a carrier."

Hupf said an investigation of the transportation situation should include three approaches: Possibility of encouraging operation here by another private carrier; study of establishing a municipal bus service, with close attention to the cost factor; and possibility of restoring the San Francisco Municipal bus service here, with emphasis on improving on present service in areas such as Mission street.

"While the jitneys offer a temporary answer to the transit needs, I feel a more permanent solution is called for," Hupf related.

Hupf has already outlined three of the items in his platform—Modernizing government, attracting new industry to the city and the transportation study. He will continue to deal in specifics in the coming weeks, according to his campaign chairman, Frank Pacelli.

Hupf, 34, is active in civic and community affairs and is currently a member of the city personnel board. A practicing attorney for seven years, he is a USMC combat veteran. He lives with his wife, Virginia, and two daughters at 648 N. Mayfair avenue.

Alameda county's 1954 mineral production was valued at $12,047,155.

Edward J. Dennis

It is interesting to read the recent political articles of a few of the council candidates who in effect say there has been no city planning for the future, that the cost of government is higher, and that city personnel should be eliminated.

Unfortunately, the candidate who makes the first statement has resided in Daly City little more than one year. Although he is an attorney, his statement is quite elementary.

Edward J. Dennis supported the successful water revenue bond election to install new reservoirs and extension mains. Because of this bond money, we now have ample fresh water and at the same time enjoy one of the lowest rates in California.

Naturally, the city budget is larger than it was a few years ago. When your population goes up by thousands, your total budget must go up.

Proportionate city services must be rendered.

Financially, Daly City is in a healthy condition, as reported by Robert Hunter, CPA

Just compare tax rates of neighboring cities: South San Francisco, $1.56½; San Bruno, $1.47; Daly City, $1.43.

Candidates who seek to eliminate city personnel should be more specific. Maybe they would like to see us return to the obsolete system and hire a part-time engineer who would collect a high percentage on all city projects. City employees expect "fair play," and my voting record is proof of my loyalty to all faithful members of the city personnel.

The fact that daily new businesses and families are moving here is evidence that our community is capably governed.

Property values are on the incline. If the statement of the candidate with one-year's residence here was true Daly City's population wouldn't have doubled since 1948. "I will be willing to account for my stand on all city matters and prove my record of sincerity, experience and progressiveness," Dennis concluded.

CROWD OF 1500 VIEW DEDICATION OF PARK

More than 1500 people were on hand Saturday for the dedication of Westlake park and clubhouse.

Mayor Joseph Verducci and Henry Doelger, donor of the $25,000 clubhouse, were the principal speakers.

Verducci told those assembled that, "It is certainly a pleasure to see something like this develop from the planning stage to reality."

He said the gathering marked not only the park dedication, but the 45th anniversary of Daly City, and the City's official acceptance of the clubhouse from Doelger.

The mayor extended thanks to the citizens, "for making this park possible with their tax dollars," the members of the council, the recreation commission, the director and his assistant the superintendent of parks and his assistant, the public works, fire, police and building departments, "All of whom had something to do with realization of this park."

Cities Benefits

Verducci related the benefits which the city would derive from th park, including "the physical results, athletic development, pleasure, and attitudes of fellowship and sportsmanship." He declared the park would mark "another step in the combatting of juvenile delinquency."

The mayor thanked Doelger for "his generosity in donating this clubhouse." He emphasized that the clubhouse would be entirely under control of Daly City, through its recreation commission.

Doelger said, "Completion of this clubhouse is another part of a dream that is being fulfilled."

The builder added that, "I have never asked for anything that would not benefit our city as a whole, and my greatest desire has always been to have upper Daly City and the Westlake part of Daly City working together for the growth and betterment of a united community.

"Wonderful Memory"

"The dedication of this clubhouse will always be a wonderful memory to me, and I hope it will give all of our people, and most especially our children, many years of recreation and pleasure."

Part of the dedication festivities included a doll show with more than 130 entries, boxing matches, potato races, dashes and the consumption of pop corn and soda pop sold by the Girl Scouts and Teen Age club. Presentation of colors was led by Boy Scout Troops 241 and 248.

Introducing the dignitaries present was Jack Kendree, master of ceremonies Edmund Cavagnaro, chairman of the recreation commission, delivered a talk on the commission's part in the development of the park.

The dedication platform and clubhouse were decorated for the occasion with trees and other clever arrangements by the Daly City Garden club. The Daly City band saluted the mayor with the arrangement called, "His Honor," and paid tribute to Doelger with seven bars of "For He's A Jolly Good Fellow."

Ceremonies were concluded with a prayer by the Rev Roy Milam, Baptist, asking "The Heavenly Father to Bless this new park."

PACK 243 PARENTS COMPLETE TRAINING

Cubmaster Stanley White of Pack 243 announces that the following parents have completed six weeks of leadership cub scout training at the community center: Andy Castle, Mike Navarro, Joe Arnold, Walter Murphy, Josephine Joseph, Mr. and Mrs J. E. Dunn and Eleanor Doyle.

Scout-O-Rama tickets are being handled by Assistant Cubmaster Joe Arnold. The Den which sells the most tickets will be taken on a bay excursion trip. Tickets will go on sale Friday after 7 p.m.

Cubmaster White also announces that in April the pack will have a Webelo den, which he will head. This Den will be for boys 10½ and over who have passed the necessary requirements.

The pack is being sponsored by the Mens' club of Our Lady of Perpetual Help church.

Mrs. Mitchell - First Grade

Our class is learning about seeds in connection with the social studies unit. We are planning some experiments to find out if seeds need light, air, water and food to grow. We have been looking for signs of Spring and we have made a big Spring picture in our room.

Gerald Bear had a birthday last week. He is seven years old now.

We are glad to welcome Joe Bloberger and Cynthia Lynch in the morning class, and Larry Powell in the afternoon class. Larry brought his pet turtle, Skippy, to school and we enjoyed having him.

We are earning stars on a chart if we know our addresses, phone numbers how to tie our shoes, and if we brush our teeth and have clean hands when we come to school. The chart is filling up with stars

Our room is looking very Spring-like with cut-and-paste flowers in a garden and butterflies, too.

We hope that everyone has a happy Easter vacation.

Crockerites Report

Fourth Grade - Mrs. Gardner

Starting with a study of the great agriculture industry of our State of California the fourth grade has begun a unit of work on Modern California. We are going to cover important industries such as mining, oil, lumbering and fishing during the rest of the school year.

Five of our girls modeled clothes made by their mothers at the PTA Spring Fashion Festival which was held on Friday, March 2. They were Freda Graves, Sandra Walters, Susan Schmale, Margaret Noe and Janet Sturdevant.

Third Grade - Mrs. Lorey

Our classroom looks very spring-like. Our third grade class has been making decorations for Easter. Both the boys and girls have made hats which they will model for the other classes before the Easter Vacation.

We are also studying the peninsula and we are making a large map of the bay area on our bulletin board.

COPS CITE SALESMAN WHOSE AUTO STRIKES 7-YEAR-OLD GIRL

A local salesman was cited by police Tuesday afternoon after his car struck a seven-year-old child who was crossing the street at Weston and Glenwood avenues.

The salesman, Eugene J. Marty, Jr., 29, of 27 Fairmont drive, was cited for driving without due caution and for failing to give a pedestrian the right of way.

Marcia Zucca, 7, of 260 Glenwood avenue, was rushed to Junipero Serra hopsital where attendants said she suffered probable internal injuries. She was later transferred to Mary's Help hospital.

GROUP OF LADIES initiated into Court St. Mary, C.D.A., last Thursday evening included (left to right): Mesdames David N. Beyer; Arthur Dikas; Milton Weckerle—State Regent; Maurice Clark—Grand Regent, Ct. St. Mary; B. H. Comstock; Frank Berardy; William Kelley.

SEWAGE DIRECTORS CHECK NEW SCHOOLS

Maps of proposed new elementary schools were reviewed by North San Mateo County Sanitation district board of directors at their meeting Monday.

The school land will be annexed by the sanitation district so that the buildings will receive sewage disposal facilities.

Directors also discussed possibility of acquiring a settling basin north of Westlake park which is now owned by San Francisco. The land, approximately 1½ acres, could be used as an addition to the park, the board said.

Report was given on correction of poor sewage condition on Bellevue avenue

Plans for Saturday's dedication of the $500,000 sewage plant were completed.

COLMA FIRE CHIEF NANNINI RESIGNS

Louis Nannini, 330 A street, Colma, veteran chief of the Colma fire department handed in his resignation last week, fire commissioner Attilio Conserva announced.

Nannini is resigning as chief, but not as a member of the department, because business will now keep him away from Colma much of the time, Conserva said. Nannini, who has operated a service station here is now going to run one in Linda Mar.

Conserva said that Nannini has filed the resignation but that it hasn't been accepted yet. He plans to call a meeting in the near future to consider naming a new chief for the volunteer department.

Woman Pleads Not Guilty To Theft Charge

Jain Temple Storm, alias Frances DeMartini, 47, Box 386, Woodacre, pleaded not guilty to a charge of petty theft in Municipal court today, and her case was set over to April 17 for trial by Judge Thomas L. Bocci.

Miss Storm was apprehended on a citizen's arrest March 14 after she allegedly passed bad checks at the Mode O'Day shop and Karl's Shoe store March 2 for the purchase of clothing.

According to police, she has a lengthy record of arrests.

Bayshore And Midway PTA Hear Speaker

Following the opening of the last regular monthly meeting of the Bayshore and Midway PTA in the auditorium of the Bayshore school, Mrs. E. M. Hanschman, program director, presented as her guest speaker, Mrs Isabel Arellano, school nurse, who gave a general outline of methods used to determine physical defects in a child which might call for the services of the family physician.

One of the demonstrations used by Mrs. Arellano was a Snelling Eye chart as an example of how a school nurse might discover poor reading ability in the child and recommend a complete eye examination by an expert in that field.

Highlight of the meeting was the election of officers for the coming year. Those elected to serve Bayshore and Midway PTA were: Mesdames John Pleskach, president, Roy Anglen, vice president, Kenton Berry, treasurer, Thomas McNamara, recording secretary, Frank Barbara financial secretary, Raymond Kester, corresponding secretary, Earl Robertson, historian, and Ruthe Reeves, auditor. These officers will be ratified at the next monthly meeting on April 11, with Mrs John Mitchel lof 17th District as installing guest.

Executive board members will meet in the home of Mrs. Frank Barbara on Friday to select chairmen for the coming term, and Mrs. Marse Datzman, president, urges all members to attend.

Marian Club To Observe 1st Birthday

The Marian club will be one year old Sunday, and special observance of the teen club's first anniversary has been arranged by Larry Shaw president.

Members will receive Holy Communion at the 9 o'clock Mass at Our Lady of Perpetual Help church. Following the Mass a birthday breakfast party will be held in the school cafeteria. The breakfast will be prepared by the parents of the members under the supervision of Chefs Bill Carrington and John Muller.

Plans for the bazaar to be held June 3 and the annual summer outing will be discussed. The Bud Lycett attendance award will be announced. Program chairman Phyllis Cloonan will be in charge of the entertainment.

VFW 9921 Women Elect New Officers

Lake Merced Auxiliary VFW 9921 held election of officers at a recent business meeting. Officers elected are as follows: President Stella Magoon, Senior Vice President Lanilta Dunn, Junior Vice President Lolita Nygren, Secretary Hazel Eagleton, Treasurer Rose Fisher, Chaplain Simone Posadas, Conductress Anita Woods, Guard Hilda Stettler, Trustees Rosemary Coulter, Agnes Luttringer and Gladys Holt, Color Bearers Tania Earl, Edith Solbakken, Agnes Sirianni and Robbie Holden, and Patriotic Instructor Nellie Krawetz.

Joint installation of post and auxiliary officers will be held at the Garden Village school April 14 at 8 p.m.

Plans were made at the meeting to hold the annual secret pal revealing party at the Broadmoor community center on Tuesday. Contact Mrs. Coulter, chairman, at PL 5-7943, or Mrs Magoon at PL 5-4267 for further information. Past President Rose O'Neil, Woodside Auxiliary 8515, was a guest.

Sisters Fisher and Magoon attended the recent county council meeting at Redwood City.

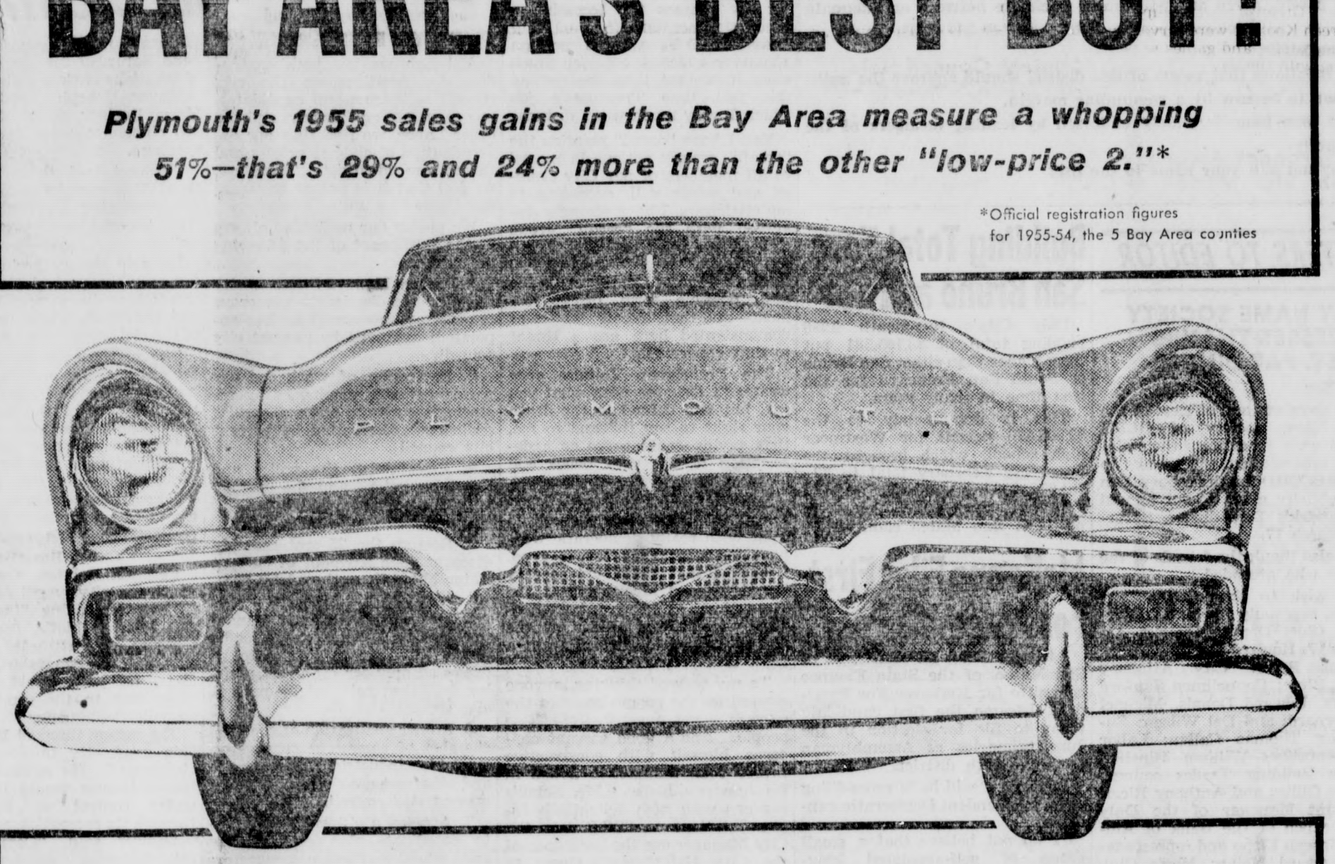
Smashing sales gains prove PLYMOUTH the BAY AREA'S BEST BUY!

Plymouth's 1955 sales gains in the Bay Area measure a whopping 51%—that's 29% and 24% more than the other "low-price 2."*

*Official registration figures for 1955-54, the 5 Bay Area counties



Bay Area car buyers compared cars, compared deals. And Plymouth came out 'way ahead. We're out for greater volume. We're out to keep that sales gains figure on top—so we're trading wild. What's your present car worth in trade? *You* tell us. And see how we meet, often *beat*, your estimate. Terms? We tailor 'em to your needs with low down payments, long, long months to pay. Action? In just an hour, we'll make you the proud owner of the *big* car of the low-price 3!

SO MUCH VALUE! No wonder Plymouth's the big gainer in the Bay Area!

Compare all 3—you'll find Plymouth the biggest, longest, most beautiful car in the lowest-price field. Plymouth has the two top engines of the "3"—thrifty 6-cylinder PowerFlow 125 or surging up-to-200-hp Hy-Fire V-8. And wait'll you try Plymouth's smooth, smooth big-car ride.

Now's the time for a BIG DEAL on a BIG PLYMOUTH!

OLPH Rites Unite Miss Kelly And William Stiff

Miss Judith Aileen Kelly and William D. Stiff recently were united in marriage at ceremonies performed by Father Norman Allen at Our Lady of Perpetual Help church.

The new Mrs. Stiff is the daughter of Mr. and Mrs. James Kelly of Hillside boulevard, Colma. She is a senior student at Jefferson Union High school.

Her husband, a Jefferson graduate, is the son of Mr. and Mrs. Louis Stiff of 1085 Brunswick street. He is now employed by the Pacific Gas and Electric company.

For her wedding, the bride wore a pale blue ballerina length gown with a white orchid and accessories. Her "something old" was a necklace and earring set worn by her mother at her wedding. The traditional "something borrowed" was a lace handkerchief loaned by her aunt.

Sister of the bride, Linda Kelly, served as maid of honor. Her ballerina length dress was fashioned of a pale pink material and a spray of flowers in her hair.

Performing best man duties was Joseph Cerrito.

Mrs. Kelly wore a black taffeta gown with pink accessories for her daughter's wedding, while Mrs. Stiff was dressed in a navy blue ensemble with white accessories.

Following the rites a buffet-style reception, co-hosted by both the bride and groom's parents, was held at the stiff home. Leaving the reception for a honeymoon in Carmel, the bride wore a pale lavender knit suit with white accessories.

The young couple are now living in an apartment on Westlake avenue.

Special guests at the wedding included relatives of the bride: Mrs. B. M. Smith, grandmother; Mesdames Shrley Jivsa, Harold Smith and A. B. Andersen, aunts; and Lewis Smith, uncle, all from Merced. The groom's grandparents, Mr. and Mrs. J A. Spielman, also traveled from Merced to be present at the wedding.

TROOP 140 ENJOYS COMBINATION PARTY

Mrs. Ellis' Girl Scout Troop No. 140 of Sterling Park recently held a combination St. Patrick's Day and birthday party. The birthday girls were Janet Gantile and Carol White. Green frosted cupcakes and green Koolade were served and the decorations and games were in keeping with the day

The troop also wishes to announce that they have a new assistant co-leader, Elva Jones.

DC Sergeant Awarded Bronze Star Medal

Technical Sergeant Neil L. Kitteridge, U. S. Air Force, was recently honored with the Bronze Star medal before officers and airmen of the Sixth Allied Tactical Air Force in Turkey. Presenting the army decoration was Major General R. A. Grussendorf, commander of the Sixth ATAF.

The sergeant, with his wife Ina Mae of Daly City, will depart for the United States on October 15. The couple have three children, Randy, 6; Brian, 3; and Deborah, 2.

Father Bergin Of OLPH Announces Holy Week Program

Palm Sunday, March 25, traditionally ushers in the observance of Holy Week throughout the Christian world For Catholics, this year the spirit of Holy Week is given greater emphasis in the new Holy Week liturgy decreed last November by Pope Piux XII, according to Father James Bergin, pastor of Our Lady of Perpetual Help church.

Father Bergin points out that perhaps the most striking modification is the change in time of the Holy Thursday ceremonies commemorating the Last Supper which took place in the evening when the sacraments of the Eucharist and Holy Orders were instituted by Our Blessed Lord. The change in time of the ceremonies is to conform more closely to the time the great events actually occurred, he said.

Evening masses will be celebrated on Holy Thursday and Holy Saturday, and Father Bergin states that for the first time in many centuries, the faithful may receive Holy Communion on Good Friday. He said that there will not be any morning services on Holy Thursday, Good Friday or Holy Saturday, and Holy Communion will not be distributed on the mornings of these days. The Holy Week schedule of Our Lady of Perpetual Help Church as announced by Father Bergin is as follows:

Palm Sunday: Masses, 6:30, 8, 9 and 10:30 a.m. and 12:15 p.m.

Monday through Wednesday: 6:30 and 7:30 a.m.

Spy Wednesday: Confessions 3:30 to 5 p.m., 7:30 to 9 p.m.

Holy Thursday: Masses, 5 p.m., 7 p.m., 8 p.m. Adoration of the Blessed Sacrament, 9 p.m. to midnight.

Good Friday: Three Hours devotion begins at twelve noon. Holy Communion distributed at 2:30 p.m. Stations and adoration of the Cross at 8 p.m.

Holy Saturday: Confessions 3 to 5 p.m.; 7:30 to 9:30 p.m. Services begin at 11:30 p m. with Mass at midnight.

Easter Sunday: Masses 6:30, 8, 9, 10:30 a.m., 12:15 p.m.

Student Council Held At Colma School K-6

A recent innovation at Colma school (K-6) is the formation of a student council. Two representatives from each class in grades fourth through sixth meet every Wednesday to discuss school matters.

The council is sponsoring a weekly courtesy award for the two classes that have demonstrated the most thoughtfulness and courtesy during the preceeding week. Thus far, awards have gone to Mr. Reid's, Mr. Belforte's, Miss Shivers', Mrs. Klaisner's and Mrs. Swift's classes.

Sunshine Society To Fete 6th Anniversary

San Francisco branch 115, International Sunshine society, members are now preparing to celebrate their sixth anniversary as a philanthropic organization.

In conjunction with the celebration, a membership drive is now underway. For information persons may call Mrs. A. S. Chironi at JU 6-4634.

PROUD GRANDMOTHERS gather around the luncheon table at the home of Mrs. Ella Brey, president of the Golden Gate Grandmothers club No. 266. The organization, which is dedicated towards providing companionship during the "autumn of life," boasts a 29-member enrollment in the local group. Show nhere are(left to right) Mesdames: Jennie Andersen; May Davis, treasurer; Hulda Colliander, past president; Lois Dooley, vice president; Brey; Fawcett, and Gertrude Johnson, chaplain.

THE RECORD photo

Grandmothers' Club — Companionship

Editor's note: This is the seventeenth of a series of articles on local women's organizations. THE RECORD will feature one of the groups listed in our files each week.

Unique in the realm of local women's organizations is the Golden Gate Grandmothers club No. 266. The local group, part of a nation-wide organization, is dedicated toward providing companionship during the age members term the "autumn of life."

Such a definition might prove misleading, however, as the youngest of the 26 member enrollment is only 38 years of age.

Favorite topic at meetings, held every fourth Monday of each month, is the arrival of new grandchildren. "And he weighed eight pounds, two ounces, you know," is typical of the general conversation

The national organization began at the Business and Professional Women Illinois state convention in 1934 when Mrs. Marie K. Brown, having just become a grandmother, asked how many of the other women present were also grandmothers. For several years following the convention these women held annual "breakfasts honoring their status.

Granted Charter

National recognition of the group came after an Associated Press feature article was written on the annual meetings. The story aroused so much interest and enthusiasm in all parts of the United States that First President Brown and other officers applied to the Illinois secretary of state for a national charter. The Grandmothers club charter was granted on April 11, 1938.

Today the federation, which is open to all women of "good character" who have grandchildren or through marriage or adoption have acquired grandchildren, has member clubs throughout the United States, Canada and Alaska.

Although primary objects of the group are listed as social, educational, charitable and to promote independence, the club is active in many more specific projects.

Wide Donations

Philanthropies include contributions towards Haven building in Illinois, a home for grandmothers; donations toward research of children's diseases; and promotion to further the social and educational interests of its members. The club also is working towards the establishment of the second Sunday of October as National Grandmothers Day throughout America.

The local unit expands its charitable activities to include work at Ft. Miley veterans' hospital, where members spend many long hours entertaining the patients.

Symbolic of Autumn

Colors of the federation are gold and brown, and the official flower is the chrysanthemum, all symbolic of autumn. Club emblem is a small round pin with a baby in Swaddling clothes engraved in the center of a brown enamel background. The pin was inspired by the famous Della Robbia plaques which decorate the children's hospitals in Florence, Italy. From this pin may be suspended small bars, one for each grandchild. A guard chain with an attached star denotes great grandmotherhood.

Official publication of the federation is Autumn Leaves. It contains reports of the social, educational and charitable activities of member clubs in respective communities.

The two-year-old local unit holds its meetings at the Collingwood hall, 97 Collingwood street, San Francisco.

Women interested in applying for membership may call Mrs. Ella Brey, president, at JU 4-2691 or Mrs. Patricia Fawcett, publicity chairman, at DE 3-5696.

Members of the group are Mesdames: Brey, Fawcett, Carmen Murphy, Tillie Hersh, Ida Siegel, Vivian Lasko, Jacoba Horning, May Young, Millie Roberts, Harriet Hodge, Gertrude Johnson, May Davis, Lois Dooley, Hazel Osenford, Hulda Colliander, Belle Tehan, Mina Derbahl, Ann Sceece, Marie Hall Betty Udengaard, Dorothy Graydon, Sadie Frank, Marguerite Rose, Louise Chironi, Edna L. Wickhan, Ann Buchanan and Jennie Andersen.

FURTHER PLANS FOR COLMA PTA INSTALLATION

Plans for the April 3 installation dinner were furthered Tuesday at a meeting of the Colma PTA executive board. Mrs. Andrew Castle, hospitality chairman, reminded members that reservations must be made before Thursday for the event to be held at Brentwood lodge, South San Francisco.

Also under discussion at the meeting, over which Mrs. Mervin Nofziger presided, was the state loan election scheduled for Tuesday. Mrs. Nofziger urged all members to vote themselves and to remind others to cast their ballots.

For further information on the installation dinner, interested persons may call Mrs. Castle at PLaza 5-0718 or Mrs. Edward J. Dennis at PLaza 5-6277.

Palm Sunday To Be Observed All Day At VG Church

Palm Sunday at the 101 Vista Grande Avenue Christian church will be observed throughout the whole day. Sunday school, with a decision day for those who are ready to become church members, will be at 9:30 o'clock The worship service follows at 10:55 o'clock with Howard Patrick McConnell, minister, speaking on, "City of the King."

A baptismal service will be held at 3 p.m. under the direction of the minister and elders of the church Dr. McConnell will officiate in the baptismal services. The public is welcome to attend.

Youth meetings sponsored by Mr. and Mrs. Ivan Moats are at 7 o'clock in Fireside hall. Games and refreshments are always a part of the program

Bible study is on Wednesday evening. The Last Supper, a dramatic presentation arranged by Dr. McConnell, with men and women of the church participating as the early disciples, will be seen at 7:45 o'clock. Costumed young people will serve as ushers. Those attending will have the privilege of participating in the communion service following the dramatic production

Druids Further Plans For Student Hobby Show

Hillcrest Circle No. 143 and Olive Grove No. 116 United Ancient Order of Druids, held a recent joint meeting to further plans for the Student Hobby show to be held in May.

Entry blanks are now being printed and will be distributed to school children in the near future.

Teachers and parents are urged by the Druid committee to encourage children to participate. Further information may be obtained by calling Mrs. Madeline Fellows at PLaza 5-4123 or Nick Leondikas at JU 3-2968.

Per capita consumption of California wines is 2.587 gallons in the District of Columbia; in California it is 1.989 gallons.

Tickets will be available at the door, according to Mrs. Nenstiel.

Mr. And Mrs. Jama Wed At Home Rites

Mr. and Mrs. Manuel Jama (the former Diane Marie McArthur) are honeymooning in Carmel following their recent wedding. The couple will make their home in Daly City upon their return.

The rites were performed at the home of the groom's sister, Mrs. Helen Sheehy. About 300 family members were in attendance, while officiating was the Reverend Herbert Schroeder.

The bride, daughter of Mrs. Marie Rigler of 123 Vista Grande avenue, attended Jefferson Union school. Her husband, son of Mrs. Rose Jama of 498 Bellevue avenue, also attended Jeff.

For her wedding, the new Mrs. Jama wore a pale pink lace and satin gown. It was of ballerina length and was fashioned with a low V-neck and short sleeves. She carried a bouquet of pink and white carnations, and her veil was fastened to a matching pink bandeau.

Mrs. Sheehy, dressed in an aqua blue velveteen gown, was her sister-in-law's matron of honor. Performing best man duties was the groom's brother, Alex Jama.

The bride was given away by her brother, William Kigler.

Reception at the Sheehy home followed the ceremony.

On Saturday evening the Misbe-Haven Teen club will offer a new twist in their regular dance program when the War Memorial building will be the scene of the spectacular "Dogpatch Ramble."

Music for the occasion will be provided by Joe Lewkowitz and his band. Informality of dress is strongly urged for all planning to attend. Boys will be expected to wear jeans and sport shirts, while the girls may wear cotton dresses or pedal pushers. Extra entertainment in the form of a marriage license bureau and dance contests will be provided.

Price for members is stag 25 cents, and 35 cents per couple. Non-members will have to pay 50 cents for stags and 75 cents for couples. Dancing will take place between the hours of 8 and 11:30 p.m.

RENEW EFFORTS TO HALT GAS STATION

Hillside Improvement association, represented by President Don Lesher, revealed Monday night that they intend to seek reversal of the county planning commission's approval of a gas station at Hillside and Market intersection near Colma school.

Lesher told the council that his group was addressing a letter to county supervisors, expressing "sorrow" that the gas station item had been "by-passed by the supervisors."

Mayor Joseph Verducci said he thought "The battle is already lost," but Lesher declared, "I disagree."

The council unofficially agreed to back the association in its efforts to halt installation of the station, which homeowners in the area charge will create a traffic hazard because of its proximity to the school.

JEFF GOLFERS ROLL UP 7th STRAIGHT WIN

Jefferson High school's golf team posted their seventh straight win Tuesday as they opened the PAL season at Lake Merced with a perfect 27-0 shutout over Sequoia.

The evenly-balanced Jefferson sextet was led by freshman Steve Oppermann, who stroked an 80. The spread between him and the other Jefferson golfers was only four strokes, as Dick Stookey posted an 81, Jim Giblin, 82, Stan Weld, 83, Wayne Guisti and Al Harris, 84 apiece.

Coach Mike Orlich describes this year's links outfit as "amazing. It's the most balanced team we've ever had."

In each of the seven matches thus far, the team members have alternated in the medalist spot, with no one player dominating the picture.

The linksmen draw a bye next week because of Easter vacation, but resume action April 3 against Menlo Atherton.

Principal and semi-annual interest (March 1 and September 1) payable at the office of the Treasurer of San Mateo County in Redwood City, California. First coupon (annual) payable March 1, 1957. Coupon bonds in denomination of $1,000 registerable only as to both principal and interest.

In the opinion of counsel, interest payable by the Districts upon their bonds is exempt from all present Federal and State of California personal income taxes under existing statutes, regulations and court decisions.

We believe that these bonds are legal investments in California for savings banks, subject to the legal limitations upon the amount of a bank's investment, and are likewise legal investments in California for trust funds and for other funds which may be invested in bonds which are legal investments for savings banks, and are eligible as security for deposits of public moneys in California.

These bonds, to be issued under the provisions of Division 3, Chapter 17, California Education Code, for various school purposes, comprise separate issues of two distinct districts. The bonds of each issue, in the opinion of counsel, will constitute legal and binding obligations of the issuing district. The Board of Supervisors of San Mateo County will have power and will be obligated to levy ad valorem taxes for the payment of each issue of bonds and the interest thereon upon all property within the issuing District subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates) without limitation of rate or amount.

The above bonds are offered when, as and if issued and received by us and subject to approval of legality by Messrs. Orrick, Dahlquist, Herrington & Sutcliffe, Attorneys, San Francisco, California.

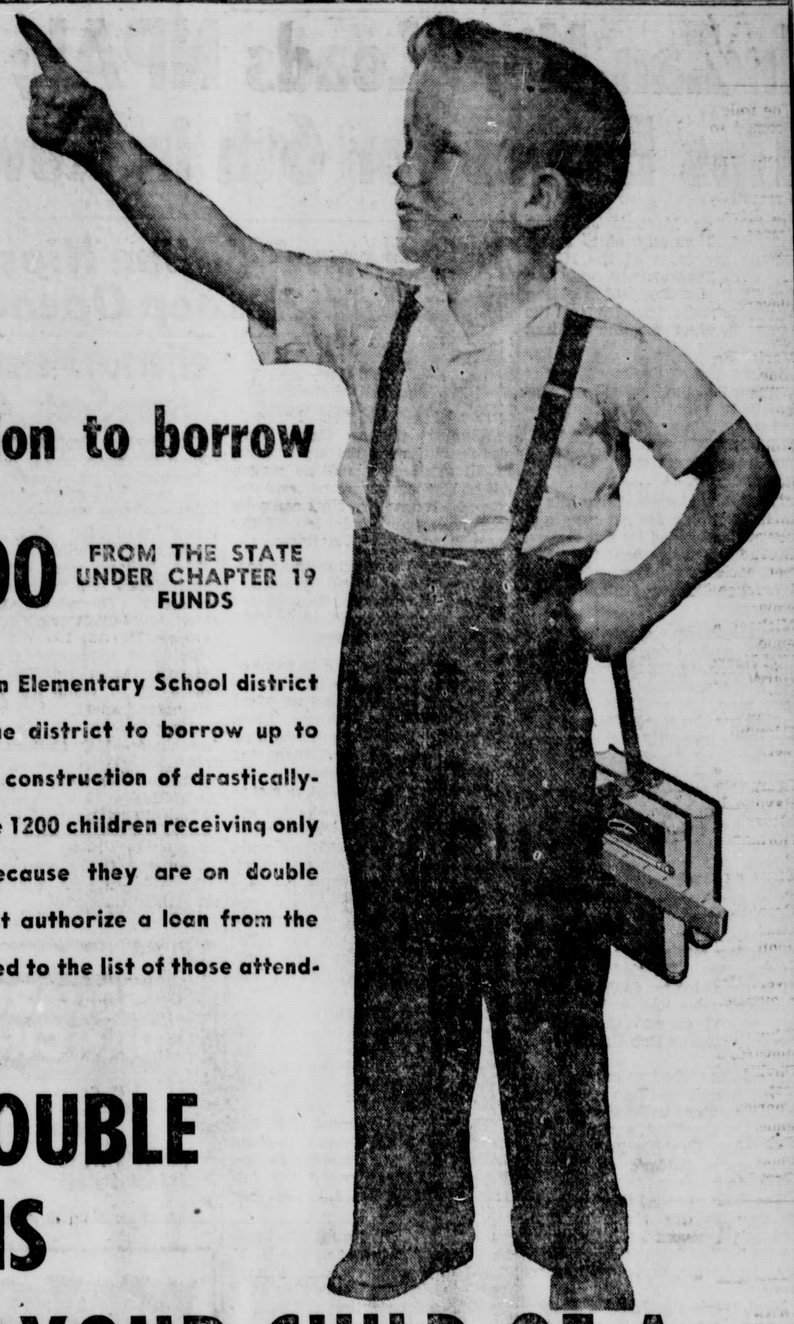
VOTE "YES"



on Authorization to borrow

$2,500,000 FROM THE STATE UNDER CHAPTER 19 FUNDS

On March 27, the Jefferson Elementary School district will be asked to authorize the district to borrow up to $2,500,000 from the state for construction of drastically-needed classrooms. There are 1200 children receiving only "half an education" now because they are on double sessions. If the voters do not authorize a loan from the state, another 800 will be added to the list of those attending split sessions by 1958.

+ STOP DOUBLE SESSIONS

+ INSURE YOUR CHILD OF A "FULL-TIME" EDUCATION

This Is Not A Bond Issue!

Re-payment of the loan will be based on the district's financial ability to make payments. The re-payment can be spread over a 30-year period, and if the district is impoverished, it need not make these payments

If the loan is approved, it would add an average of 76½ cents a year in taxes per homeowner. In other words, for about six cents a month, you can give your children education under a full-time schedule—just twice what some of them are receiving now.

VOTE "YES" AT THE ELECTION MARCH 27

Indian Nine Leads NPAL; Tips Eagles for 6th in Row

Coach Lou Martin's Jefferson high school varsity nine, riding high at the front of the NPAL race after Friday's win over San Mateo, downed Washington of San Francisco, 7-2, Tuesday on the losers' diamond for the Indians sixth straight win.

Jefferson met Carlmont in the first round of the South San Francisco invitational tournament yesterday at Memorial Park after THE RECORD went to press. The tourney continues today (Friday) and tomorrow.

The Indians bunched five hits in the third inning for six runs and were never headed by the Eagles. Ray Vuillemainroy went the route for Jefferson, yielding only three hits and chalking up his fourth win in a row.

Vuillemainroy started things himself in the third with a single. Consecutive singles by Ino Petron, Ron Cryer and Bob Bailey scored three runs. After Mike Wedlake walked, hits by Barry Haanan and Larry Franzoia tallied three more.

Bailey and Haanan, with two singles apiece, led the 10-hit Jeff attack. Vuillemainroy struck out two and passed two.

Jefferson climbed to the top rung on the NPAL ladder Friday with a 6-2 win over defending champ San Mateo at San Mateo behind the hitting and pitching of Texa Prentice.

Prentice went the distance, allowing five hits and six walks and fanning five. He tied the score 1-1 in the third by doubling home Franzoia, who had walked. He then scored to put the Indians ahead to stay on Bob Grubb's sacrifice fly.

The Jeffs picked up another run in the fourth on Tom Cloutier's double, a passed ball and an infield out. They tallied again in the fifth when Grubb doubled, took third on a fielder's choice and scored on an error.

The Indians ended the days scoring on a two-run single by Wedlake in the seventh. They earned six hits off of losing pitcher Howard Harrington, and played errorless ball.

Next week the Indians engage in four practice games on the home field. They meet St. Ignatius Monday at 3 p.m., the S. F. State J. V.'s Tuesday at 1 p.m., and Washington Wednesday in a double header starting at 1 p.m.

Jefferson F-S Nine Nips Panthers in Loop Opener

Jefferson high school's frosh-soph baseball team edged Burlingame, 4-3, Thursday on the Panthers' diamond in the opening NPAL contest for both teams.

Winning pitcher Gary Ryan struck out eight batters and allowed three hits and no walks. All of Burlingame's runs were unearned. Ryan helped his cause by scoring a run after he led off the second inning with a triple.

The Jeffs went after their second league victory yesterday (Thursday) against San Mateo on the local diamond after THE RECORD went to press.

The Indians went out in front of the Panthers to stay in the second frame. After Ryan whacked his three-bagger, Puzzy Firth singled him home. Firth advanced on a ground out, and then was singled in by Jim Wilson.

The young Jeffs made it 3-0 in the third. Wayne Lewis led off with a single, stole second, went to third on a wild pitch and came home on a fielders' choice error.

Bob Berry tripled over the center fielder's head to score Lewis, who got life on an error, with the Indians' final tally in the fifth. Berry was thrown out at the plate attempting to stretch his hit into a home run.

Jefferson got six hits in chalking up its seventh win of the season against three losses and a tie. The Panther runs came on three errors by Jeff catcher Jerry Kennedy.

The Indians erupted for five runs in the fourth inning to down Balboa, 6-3, last Thursday in San Francisco. Ryan paced the Jeff attack with three hits in four times at bat.

The frosh-sophs engage St. Ignatius Tuesday at 3:30 p.m. on the Indian diamond.

Jefferson Mermen Swamp Scots, 42-27

Wins by Bob Craig in the 50 and 100-yd. freestyle events paced the Jefferson high school varsity swimming team to a 42-27 victory over Carlmont last Thursday in the losers' pool for their second straight NPAL win.

The Indians went after their third NPAL win without a loss yesterday (Thursday) at Capuchino after THE RECORD went to press.

The Jeff lightweights suffered losses to the Scots. The thirties bowed, 50-18, while the twenties were edged, 29-21.

Other varsity winners for Jefferson were Bob Galindo with a 2:30.7 200-yd. freestyle effort; Ray Lippert, 1:13.2 in the 100 back; Andy Ruelas in diving; and the Indian 200-yd. medley relay team of Lippert, Galindo, Bill Delucchi and Jim Giblin, which was clocked in 2:12.2.

Jack Green, in diving, was the only Jeff winner in the thirties division. The 100-yd relay team of Georgenson, Parker, Blakemore and Burnham, was the only Indian '20 winner with a time of :56.5.

DALY CITY JUNIORS LOSE; NEED SPONSOR

Daly City Juniors hardball nine opened the Independent league season Saturday at West Sunset diamond with a 5-3 loss to St. Gabriel's.

Three unearned runs scored against Daly City, chucker Bill Ludwigsen were the margin of victory, as both clubs got four hits apiece.

The Juniors, coached by Lowell Creighton Sr., have issued a plea for a sponsor. The all-Daly City club has equipment, but lacks uniforms. Anyone interested in sponsoring the team may contact Creighton at PL 5-5034.

Next game for the Juniors will be Saturday at West Sunset against St. Stephen's, starting at 10 a.m.

Broadmoor Youth Takes Win From St. Gabriel's

The Broadmoor Youth association scored a 6-2 win over St. Gabriel's Saturday at Balboa no. 2 to continue unbeaten in the class D Junior Manager association league.

Bill Hix's double was the only extra base blow in the seven-hit BYA attack. Hanley and Banos each accounted for two singles. Winning pitcher Reese struck out eight and gave up no walks.

Ninth Inning Slugfest Too Much For F-S

Lincoln of San Francisco put together four straight hits in the ninth inning of a regular seven-inning contest Tuesday to top Jefferson High School frosh-soph, 6-5.

The score was knotted, 4-4, after the regular seven innings, as Paul Tapia worked the first six, Gary Ryan a single frame.

But opening the ninth, a Lincoln batter singled, the second batsmen tripled, the third doubled and the fourth singled to tally two runs for the links and register the victory.

Tapia struck out eight batters in his stint, issued one walk and gave up five hits. Ryan struck out two, walking none and allowing four hits.

Jeff drew its first score in the second inning when Puzzy Firth homered. In the third, Wayne Lewis singled, was advanced when A. Berry grounded out, moved on to third when Tapia was safe on an error and came home when Ryan reached first on another Lincoln miscue.

In the sixth Ryan singled, went to second on a center-fielder's error, then stole third. While Ryan was trotting the basepaths, Firth was safe on an error at first, Ed Berg singled to bring home Ryan and ran to second base on an error by the short stop, while Firth scored on the miscue.

The final tally came in the eighth inning when Ryan led off with a triple and was knocked home by Berg's single.

Ryan and Berg led Daly City slugging with two hits apiece in four tries.

Jeff Trackmen Set 7 School Marks While Dumping South San Francisco

Jefferson high school's well balanced track squads set seven school records as they swept all three divisions by topsided margins from traditional rival South San Francisco Friday at Jefferson.

The Indians travel to Carlmont for their second league meet this afternoon (Friday).

The Jeffs' win established them as favorites for the NPAL championship. It also gave them possession of the traditional trophy for the fifth straight year.

Jefferson swept all but one of the events in posting an 89½-23½ win in the varsity division. SSF managed only one win in the thirties division also, which the Indians took, 89-23. The twenties won 40-28.

Leading the way for coach Ernie Ribera's varsity crew was Lowell Klaisner, who set a school record of :16.1 in the high hurdles, and took the century in 10.2. The varsity relay team chalked up a record 1:32.9 clocking. Old record was 1:33.6. Al Arneson tied the pole vault mark of 11' 3".

The Jeff thirties were paced by triple winners Sonny Martinez and Ron Molina. Martinez bagged the 330 in :37.4, the 150 in :15.5 and the broadjump with a school recording leap of 19' 4½".

All three of Martinez' times were the best of the NPAL season in the B class.

Molina set a school record with a 10.1 clocking in the 70-yd. high hurdles, took the lows in :15.2 and tied with teammate Bruce Lovazzano in the high jump at 5'. His time over the highs was also the best NPAL mark of the season.

Harvey Marston's wins in the low hurdles and the broadjump featured the twenties' win. Marston skimmed over the lows in :15.3, knocking two tenths of a second off the school record, and leaped 18' 1¼" in the broadjump.

His marks were the best of the NPAL season. Dave Dunbar also recorded the best NPAL time to date in winning the 330 in :40.8. Mike Deal set a school twenties high jump record of 5' 1¾".

Other varsity winners were Jim Honeywell, :51.5 quartermile, also best NPAL clocking; Don Weisner, :15.5 highs; Jerry Howard, :21.5 in the 220; Bill Curtis, 5' 6" high jump; Howard, 19' 5" broad jump; Grasso, 2:06.2 half-mile; and Jim Farley, 43' 7" shot and 120' 11" discus.

Thirties winners include Reed Grandy, 1:31 660; Bud Pollard :08.3 75-yd. dash; Andy Estigoy, 3:28 1320, best of NPAL season; Bruce Lovazzano, 8' 6" pole vault; Harris, 104' 1¼" discus; Stireman, 41' 8" shot; and the Jeff relay team with a :47.1 clocking.

Vince & Fred's Hold Bowling Loop Lead

League leading Vince & Fred's and runner-up Westlake Homes each posted a pair of victories Tuesday night in the Daly City-Colma bowling league to continue their battle, while third-place San Pedro Lunch dropped three games to fall behind the pace.

Vince & Fred's won two of three games from Luce Meat. De Lucca's 541 series paced V & F. Westlake Homes gained a similar split with Daly City Cleaners. S. White had a high game of 203 and a 530 series to lead the Westlake team.

G. Mutto had a 213 game and 551 series to pace Paul's Flowers to three wins over San Pedro Lunch.

Vince & Fred's first place record is 52½ wins and 25½ losses. Westlake Homes has 51-27, while San Pedro Lunch is 46-32.

In other league games, Ed Bucher's 217 game and 580 series helped Brentwood lodge win three games from Carlos Pizzeria. The pizzeria's C. Knapp rolled a 561 series. Thur Meat took two games out of three from Starway Cocktails.

Rams, Vikings Leaders In Colma Kickball Loop

Mrs. Sarah Mitchell's Rams continue to lead the Colma seventh grade girls intramural kickball league with a perfect 8-0 record.

In the eighth grade league, Forest Simoncini's Vikings hold a narrow lead over Betty Welp's Hepcats. The Vikings have a 9-0 record, while the Hepcats have won eight and tied one.

NORTHERN SAN MATEO COUNTY'S LEADING NEWSPAPER
THE RECORD
DALY CITY
Thursday, March 22, 1956 THE RECORD — Page 9

CHARTER for Boy Scout troop 63 is presented Commander Blaine Glendening of Old Glory post No. 2044, Veterans of Foreign Wars, which group has sponsored the troop for many years. City Attorney Frank Blum made the presentation during the recent Old Glory post and auxiliary annual dinner. Shown here are (left to right): Blum, Mayor Joseph J. Verducci and Glendening.

McKAY WILL SPEAK AT DEMOCRAT FETE

Attorney James T. McKay of Broadmoor, Democratic candidate for congressman of San Mateo county, will be among the speakers at the dinner honoring state senator Richard Richards of Los Angeles, Democratic candidate for United States senator, to be held Saturday, March 31, at the Peninsula Social Club in San Mateo.

Other speakers at the 7 p.m. dinner include Harold G. Robinson, chief prosecutor for Attorney General Edmund G. (Pat) Brown, who is seeking the county's state senate seat and Chief Deputy District Attorney W. Howard Hartley, candidate endorsed by the Democrats for 25th district assemblyman.

Tickets in this area can be obtained from Mrs. Martin Orloff, Daly City; Thomas P. Lantos, San Bruno; Alan Elsan, Sharp Park, and George Mason, Linda Mar.

February Sickness Cases Low In D.C.

Only one case of measles was reported in Daly City during February, 1955, according to the San Mateo county public health division.

San Mateo headed the list with 58 cases reported, as the county-wide total reached 127, compared to 44 one year ago. The unincorporated areas outside Daly City also reported one case.

Daly City reported three and the outlying areas one case of streptococcal infection during February, according to the public health division. The county-wide total climbed to 68 from 40 last year.

The unincorporated areas also reported one case of Salmonellosis. The county total jumped from three to 33 from last year.

Four Jefferson High Pupils Win Trophies In Bank Contest

Four Jefferson Union High school students are included among the gold cup winners of the annual Bank of America achievement awards contest, it has been announced by Principal John Mongan.

Pupils selected to receive gold cups were Shirley Seago, music and fine arts; Ron Casentini, mathematics and science; Marilyn Aiello, vocational arts, and Carol Hansen, liberal arts and English.

Those receiving certificates of award are as follows: Ann Bergstresser, mathematics; Casentini, laboratory science; Miss Seago, music; Stuart Geddes, art; Dick Stookey, social science; Miss Hansen, English; Sharon Didier, foreign language; Marian States, home economics; Miss Aiello, business, and Bob Galindo, industrial arts.

Records of all trophy winners will be reviewed by a screening committee which will select the strongest candidates in each general field within each zone. The San Mateo county public high school zone contest will take place in Redwood City on April 26. Winners in this contest will compete in San Francisco on May 22 in the final selection event.

In the contest, which is sponsored to encourage high school students in their academic, vocational and citizenship training, 1300 awards totalling $10,700 will be given in the San Francisco bay area.

The lowest land in the Western Hemisphere, 282 feet below sea level is near Badwater in Death Valley National Monument.

Form Noon Baseball League At Colma

A noon baseball league for boys from grades four through six is being formed at Colma school, under supervision of John Belforte.

Classes will compete against one another until the Colma K-6 champion is determined late in April.

Village Notes

By Gwin Mitchell

PL 5-0679

The Ed Macklins and Sam Marconis, who live next door to each other at the corner of Village Lane and Sullivan, almost met each other coming and going — to Acapulco. The Marconis went down just as the Macklins were en route home, and no sooner did the latter arrive back than they took off for the snows. In company with Ed and Claire Liska from Thornhill, and the combined five children in the two families, they started for the Liska cabin at Lake Almanore but couldn't get through, so stayed in Chester instead. There was plenty of snow, and everybody threw snowballs, tobogganed, and generally had a fine time—particularly the children, of course!

Grace and Sam Marconi, meanwhile, had themselves a fine twelve days in Acapulco and Mexico City. Biggest news of the stay in the former was the catching of a big sailfish, plus all the other attraction of the well-known sunny resort. Mexico City was quite picturesque with all its wide streets and many fountains, but there are also many modern apartment buildings going up. It seems that traffic laws are very confusing, ditto traffic! Sam liked the bullfights, but Grace favored the horse races at the Hippodrome. She should—it was her first race and she picked a long shot and won! The altitude made them quite drowsy most of the time, Grace said, and she added that they came home laden with the usual quota of souvenirs.

Gigi and Ben Blount have departed from BV, with the north bay their future location, but before they left, Barbara Rasmussen and Edna Spediacci, Gigi's Nimitz neighbors, gave her a going away party. Highlight of the affair was a gift of an electric coffeemaker for the new house, with Ruth Witaschek, Gladys Pavloff, Estelle Pickens, Anne Jenkins, Catherine Clarke, Marie Geertsen, Alice Travinsky, Vi Zaitz, Allie Duport, Dorothy Stookey, Lucille Meighan, Marge Bechtold, Fran Behlow, Joy Nickus, Kay Mattson and Janet Gigli all in on the surprise and the fun.

Chrissie Mitchell had her sixth birthday on Maddux recently, with Rita and Mary Jean Glischinski, Ralpha Box, Cathy Lou Meade, Paula Baumgartner, Karen Johnson, Janice Peterson sister Nancy Mitchell and brothers Jack and Donny Mitchell all around for fun and food. An Easter cake, ice cream and games with prizes kept everybody busy for an afternoon.

Christens Ship

Over on Village Lane, Betty Bullen can be found admiring a small silver dish inscribed with her name, the date and the name-number of the minesweeper she launched at Stockton. Husband Art, who is the 12th Naval District's senior supervisor of shipbuilding at a yard in Stockton, and his family, the A. C. Bullen, Seniors, accompanied her, and her own family, the P. W. Taylors, came up from San Bernardino for the event. Her brother Don came too, and joined the rest of them in being very proud relatives as Betty cracked the traditional bottle of champagne and sent the ship down the ways. We hear she hit the ship so hard that that's all it needed to be thoroughly launched! In honor of the occasion, she bought a very chic beige outfit, with tangerine trim, and most swish hat—you should see it!

Several new little Villagers will be having their very first spring this year. Two of them live on Thornhill—Mark Earl Tatge and Robert James Rincon. Mark, 8 lbs., 3 oz., make number four boy for Dr. Walter and Dixie Tatge, who are most pleased to add him to their trio of David, Paul and John. Robert is the third boy for John and Noeny Rincon, with brothers Johny and Charlie being on the welcoming committee, and he just tops Mark's weight by being 8 lbs., 4 oz.

Leave it to the girls, though—Miss Louise Janet Anderson of MacArthur arrived with 9 lbs., 14 oz. to her credit! She joins Laura Jane, Linda Jean, Laurence James and Lindsey Joseph, whose names all begin with the first letters of the parents' names—Lawrence and Jane. A most clever idea, that! And a very happy family, too, with their new small one.

Up on Bradley, Ed and Ellen Eassa have welcomed Edward Bryan to the family, with 8 lbs., 10 oz. of new brother to be loved by Patricia, Gary and Bobby . . . . Then there's Lee Ellen Ottosen, Gilman's newest baby, who belongs to parents Donna and Clarry and sister Cindy Lou. She weighed in at 8 lbs., 15 oz. It can be seen that we have very healthy babies in our Villages! . . And George and Elsie Schenone of Sweetwood also have a new daughter, Janet Ann. She is an 8 lb., 2 oz. sister for small Linda, who is happy about the whole thing.

Plan Wedding

In addition to a new baby, Elsie Schenone is in the midst of all the excitement there is in a family with a wedding in the offing. Her brother, John Olcese Jr., will be marrying Laura Vallejo soon, and showers and things are the order of the day right about now. Laura

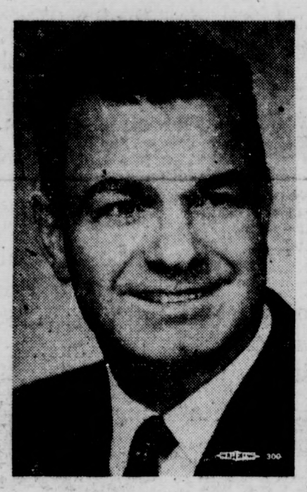
"Keep Daly City In Business"



An Informed Public . . . . . The Key To Intelligent Government

Every phase of municipal government has shown improvement during Mayor Joseph Verducci's term in office. An effective leader with a background as an educator at San Francisco State college and as an officer in the Coast Guard during World War II, Mayor Verducci has demonstrated these leadership abilities in public office. He is basing his campaign for re-election on his record—a record that shows continued improvement in city services at greater savings in taxes.

Part V - FIRE DEPARTMENT

BEFORE Daly City's fire fighting facilities were grossly inadequate for a city that had mushroomed almost double in population in a period of about 10 years.

AFTER The department now has six pieces of fire-fighting equipment, one pick-up truck and the chief's sedan. It is organized into 5 companies, with 19 full-time firemen, 45 volunteers. These volunteers are civic-minded citizens who can be commended for the time they spend in training and actively fighting fires and engaging in fire prevention work. Through a bond issue endorsed by citizens, construction of a modern new station in the Westlake subdivision was made possible. Closer cooperation between the fire department and building inspector has been achieved, with a resulting increase in safety. One hundred and fifty fire alarm boxes now are available to alert the department of a fire on seconds' notice. Because of new facilities, the National Board of Fire Underwriters is expected to make a survey this year which should result in establishing Daly City in a higher safety classification—which will mean a reduction in fire insurance rates that will save the average taxpayer from $3 to $5 a year.

FUTURE An extensive program of training for firemen, already put into effect, will be augmented. In a recent annexation, Mayor Verducci worked actively to have a parcel of land set aside for another new fire station which will be needed as population increases. Facilities will be increased to keep pace with population.

COSTS Most of the new facilities purchased in the last four years were paid for out of the 1952 bond issue which was approved by the voters. Mayor Verducci has never reduced a department budget merely to present a false show of economy. Yet he, along with the council, has managed to supply the new demands for services at the most reasonable costs to the citizens of Daly City.

is the daughter of Irene Chessman, also a Sweetwood resident, and she was honored at a shower given for her at her mother's home by her sister, Louise Lagomarsino, and co-hostess Pat Shaffer. Guests included Mrs. John Olcese, Sr., mother of the groom, Mrs. William Chessman, mother of the bride, and Mary Beroldo, Pat Laramie, Dolores Spagnolini, Dolores Volkman, Joan Belli, Hazel Worth and Evelyn Long. Aunts Florence Chessman and Louise Pullen were there, as was cousin Dorothy Olcese and Lenore Giusti, Doris Pardini, Betty Gerner, Eleanor Raymond, Bobby Harvey, Lura Lee Karlsson and Virginia Cool.

Weddings are in the air, for Rosalie Holmes and daughter Marlene on Stewart avenue were also busy with the feminine to-do common to the occasion. Marlene was a bridesmaid at the wedding of her aunt, Nita Muncaster, in Oakland last week. In addition to that special excitement, both Holmes ladies attended the very special mother-daughter senior tea at Jeff Hi that same week. Husband and father Cornell wasn't left out, either—he gave the bride away. Cornell is the one who has taken time, in addition to coaching a small boys' ball team, to help neighborhood boys collect and roll newspapers, which they sold to buy the bright red jackets now prevalent in the Ellis-Stewart-Maddux area. You may have seen Cornell often, driving a truckload of excited boys through our town on the way to or from a ball game.

This and That: Fran and Ken Behlow have deserted Nimitz for the southern peninsula. . . . Ash Helmer (Maddux) had a happy birthday on the Ides of March, once also Income Tax day. . . . Manila's Russell Green has parted company with his tonsils. . . . Molly Phillips (McArthur) took minutes at the latest PTA meeting in a most attractive and unusual spring hat. . . . Word has it that there is a For Sale sign on the Tom Jenkins home on Nimitz. . . . Sweetwood's Gordon Feist was one of the drivers in the SF St. Patrick's Day parade, begorra. . . . Too many of our Village small fry have had chicken pox, measles, et al, plus That Flu Bug which seems to like making everybody miserable.

Winifred Senn took time off from her work as a budget analyst, time away from her Sweetwood home, and spent a week in the desert at Borrego Springs, down near San Diego. She says that area promises to become another Palm Springs, the way various developments, each with its own private club and swimming pool, are springing up. Highlight of the stay was a jeep trip into the desert to see what might be called a small Grand Canyon, which cannot be seen until you reach the edge. It was quite breath-taking.

There is quite a bit of special farming—one gladiola farm sends out 1000 to 1500 blooms per day, and the first crop of asparagus ever grown there was a bumper crop. Water is not too far below ground and the irrigation systems have turned the whole area green. The weather was a little bit of everything—hot, cold, windy and snowy! The snowstorm occurred on the way back to San Diego, the first in many, many years in that particular section of California. Altogether a very interesting trip, according to Winifred, who is now back coping with budgets.

Marion and Bill Connolly and Mike and Patricia also went south for a week. They visited Marion's sister in Gardena, and of course went to Disneyland, taking four small cousins to share the fun with Mike and Pat. Marion was impressed with the beauty of the place and its clean and shining look, so different (unfortunately) from so many amusement parks. They rode the rides and sailed down the jungle river and saw the castle and had a tremendous time. The merry-go-round is marvelous, we hear!

The James L. Snell had its annual elections recently, and we'd like to introduce the new president to those of you who have not had the pleasure of meeting and working with her. She is Eleanor Cohen this past year's chairman in charge of the Garden Village room representatives. Eleanor lives on Oakmont, with husband Irwin, 7 year old Phyllis and 3½ year old David. Both Eleanor and Irwin are Navy veterans, and they came to Westlake from the South San Francisco area. Needless to say, Eleanor is looking forward to a busy year ahead as a PTA president, and we'd like to wish her a happy one as well.

Survey Claims Over Half Of Pupils Use Below Level Texts

Over half of the children in the third through the seventh grades in the Jefferson elementary school district are using basic readers below their grade levels, it was revealed in a survey presented the board of trustees at last week's board meeting.

Perhaps most startling of the statistics revealed in the survey is the fact that five first grade, seven second grade and seven third grade readers were requisitioned by a teacher instructing seventh grade pupils.

Of the 2115 total number of students taken into consideration, 1165 are using reader texts below their grade while only 950 are employing readers comparable to their level in school, according to the survey.

Breakdown on basic readers requisitioned by teachers of different grades is as follows:

THIRD GRADE: on grade level, 220; second grade readers, 297; first grade readers, 61 (total below grade level—357).

FOURTH GRADE: on grade level, 278; third grade readers, 211; second grade readers, 120; first grade readers, 5 (total below grade level—333.

FIFTH GRADE: on grade level, 164; fourth grade readers, 129; third grade readers 60; second grade readers, 7; first grade reader, 5 (total below grade level—201.)

SIXTH GRADE: on grade level, 164; fifth grade readers, 108; fourth grade readers, 50; third grade readers, 2 (total below grade level—167).

SEVENTH GRADE: on grade level, 124; sixth grade readers, 53; fifth grade readers, 32; fourth grade readers, 3; third grade readers, 7; second grade readers, 7; first grade readers, 5 (total below grade level—107).

Boy Scouts Begin Selling Tickets To 1956 Exposition

It's ticket sales time again for more than 10,000 Cub Scouts, Boy Scouts, Explorers and Sea Scouts in San Francisco.

This Friday, the Scouts will begin selling tickets to their big 1956 Boy Scout Exposition, to be held April 20-21 at the Cow Palace.

The Scout Exposition, largest ever held in San Francisco, will fill the Cow Palace arena as well as the new exhibit hall. It is a mass demonstration by the Scouts themselves of the skills, sports, games, and activities that make up the Scouting program, all on display in a series of nearly 300 booth exhibits.

In the Lake Merced Scout district, Albert M. Rosenberg, 125 Windsor drive, is chairman of ticket sales.

Among the Unit ticket sales managers from this area are: Charles Gertshacker, 70 Yerba Buena, Pack 1; Thomas Ward, 75 Stalfor drive, Pack 61; Sergie Cerrati, 73 Concord street, Pack 64; John E. Dyra, 372 Victoria, Pack 103; Harold Muller, 124 St. Charles avenue, Pack 113; William S. West, 256 Dorantes avenue, Pack 246.

David Bjorkquist, 13 Creston drive, Pack 250; Forrest A. Sluires, 140 Cerritos avenue, Pack 340; Harold R. Smith 175 Vernon street, Troop 50; Al Christiansen, 530 Junipero Serra boulevard, Troop 88; N. L. George, 835 Wildwood avenue, Troop 92; John Welch, 464 Los Palmost, Troop 123; Jack Jonas, 301 Byxbee, Troop 340

Mayfair avenue, Pack 241; and Joseph Arnold, 116 Miriam, Pack 248.

LUTHERAN CHURCH TO AIR SUNDAY SERVICE

Beginning Palm Sunday, part of the second morning worship service of the Lutheran Church of Our Savior, Junipero Serra and Garfield street, will be broadcast over stations KEAR and KXKX-FM at 11 a.m.

This Sunday's broadcast will include the sermon, "My Savior and Me—His Promise," by Rev. Luther Schliesser, pastor.

MARVIN W. GENSELL, center, is shown with his parents, Mr. and Mrs. Abe Gensell, 237 Abbot avenue, and sister Pat after he recently enlisted at the Daly City naval recruiting station. Young Gensell's father is a retired Warrant Officer with 30 years service.

D. C. Toastmasters Install Officers Sat. At Rickey's Banquet

Daly City Toastmasters will install new officers Saturday night at Rickey's Red Chimney in Stonestown.

Toastmasters, their wives and guests will be in attendance at the dinner function. Stan Wilson will be installed as new president, taking over the position held for the past year by Monte Dayton.

The Toastmasters membership committee has announced that there are still openings in the organization for men interested in public speaking. Meetings are held every other Thursday from 6:30 to 8:30 p.m. at San Pedro Lunch. Those interested in attending may contact Dayton at PL 5-2429.

Next regular meeting will be held March 29 and the speaking agenda will be the same as that originally scheduled for the March 15 session.

St. Martin's Plans Holy Week Services

Holy Week observance at St. Martin's Episcopal church, 94 Palmdale avenue, begins Sunday with distribution of palm crosses at 9:30 a.m. Sunday school and 11 a.m. morning prayer services held by the Reverend Canon Edward B. Ferguson, priest-in-charge.

The choir, directed by George A. Ritter, 53 Cliffside drive, and consisting of Mrs. Jack R. Baker, 844 Beechwood drive; Mrs. L. S. Buel and Miss Janie Buel, Sharp Park; Mrs. Edward Olsen 115 Village Lane, Colma; Mrs. Mary Parsons, 55 Palmdale avenue; Mrs. Delie Waugh, 747 Maddux drive; Richard Phillips, 1408 South Mayfair avenue; Gordon Raeside, Jr., 24 Oakmont drive; and D. R. Wainwright, 58 Cliffside drive, will be vested for the first time at this service. A soprano solo, "The Palms" will be sung by Mrs. Waugh as offertory anthem.

Good Friday three-hour watch service will be held from 12 noon to 3 p.m. March 30. Readings on the seven last words of Christ will be interspersed with hymns and prayers; entrance and exist may be made at any time during service.

Easter decorations are being arranged by Mrs. Reuben H. Hunt, 11 Lake Meadow drive, and Mrs. Gordon P. Andrews, 75 Fairway drive. Presentation of Lenten mite-boxes and construction of a lily cross will highlight the Sunday school Easter service. Holy communion will be offered at 8 and 11 a.m. "King All Glorious" will be the special anthem by the choir.

Mrs. Donald S. Piercy, 184 Northgate avenue, and Mrs. Chester S. Mattison, 1775 Sweetwood drive, were named co-chairmen of the spring rummage sale at the women's auxiliary meeting last week. Mrs. William Hover, 81 Crestwood drive, will be in charge of poster publicity. The sale will be held at Patrick's Rummage Room, 436 Hayes street, San Francisco, May 23. Donors may call Mrs. Piercy, PL 6-0621, to request pick-up of rummage.

Meet the Jewetts who set up housekeeping in Eureka in 1936

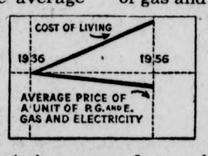
20 YEARS AGO—when Fred and Mary Jewett were married, they had just 7 appliances: range, waffle iron, water heater, iron, toaster, radio, clock.

TODAY—their inviting home has 25 appliances, including: range, refrigerator, washer and dryer, toaster, coffee maker, waffle iron, 2 clothes irons, corn popper, mixer, vacuum cleaner, vacuum broom, television, radio-phonograph, 2 radios, 3 clocks, infra-red lamp, sewing machine, power saw, water heater and furnace.

Today they buy $22 worth of gas and electricity for $13

...for the average unit price is far less today than it was in 1936

Surprised at all the appliances the Jewetts have bought since they were married? Then count up all the appliances *you've* added through the years . . . and chances are you'll find your own story is pretty much the same. In fact, if you're like the average California family, you're using three times as much gas and electricity today as twenty years ago. Naturally, all this extra gas and electricity is bound to increase your bill. But it's far *lower* than it would have been twenty years back. That's because P. G. and E. now charges far less per unit, on the average, than it did in 1936. Take the Jewetts: a month or so ago their bill came to only $13.23. Twenty years ago the same amount of gas and electricity would have cost them $22.35! You're probably making similar savings yourself. Can you think of anything else in your budget that actually costs you far *less* today than it did twenty years ago? *No wonder we say . . .*



Gas and Electricity are cheap in California!

Open 12 New Stores In W'lake Shopping Center

The long awaited opening of Westlake Shopping Center's new big stores will take place this week, when 12 stores situated on Westlake Court jointly hold a formal grand opening. The event will last for three days, commencing this Thursday and continuing through Saturday.

Formal ribbon cutting ceremonies for the entire center were held at 12 noon Thursday, by Henry Doelger, builder and developer of Westlake Shopping Center, with Mayor Joseph Verducci wielding the scissors, and members of the Daly City city council assisting him.

The $5,000,000 addition to Westlake Shopping Center commenced last summer, and were completed just a few hours before the stores opened. The new stores will include the J. C. Penney Company, W. T. Grant Company, F. W. Woolworth Company, Sears Roebuck Company, Thom McAn Shoes, Jay Vee Stores, Arthurs Store for Men, Karl's Shoes, Franklin Fashion Apparel, Leeds Shoes, The First Western Bank and an addition to the Bank of America.

Stores Open

To celebrate the grand opening, Westlake Shopping Center stores remained open on Thursday until 9 p.m., and also on Friday until the same hour. On the evenings of Thursday and Friday, as well as the afternoon of Saturday, special entertainment has been planned. Los Caballeros, a strolling trio, featuring Latin ryhthms, will be heard throughout the center.

The opening of the new stores will inaugurate a new policy for night shopping in Westlake. The big center, which now has 62 stores, will remain open two nights a week instead of one, as heretofore. Those nights will be on Wednesdays and Fridays. Closing hour on those nights will be 9 o'clock, with many of the stores opening at noon on those days.

As a special attraction for the opening of the 12 new stores, all located on Westlake Court in the Westlake Shopping Center, $10,000 in prizes are being given away. The top awards include two 1956 Chevrolets, purchased from Les Vogel Chevrolet, two $1000 mink stoles, two large lake front view lots in Buckingham Park, the gem of Clear Lake. These lots are almost an acre in size, gently sloping, and with fabulous views of the lake. Finally, two 24" Silvertone TV sets will be given away. Visitors to the shopping center are not required to make any purchases of any kind in order to participate in the drawings, which will be held on March 30 and April 13. Tickets may be obtained from booths set up in the Shopping Court between 10 a.m. and 5:30 p.m. daily except Sunday. On Wednesdays and Fridays booths will remain open until 9 p.m.

John W. Geary, San Francisco's first postmaster, gave the city the land that was later named Union Square.

Local Students To Help In Columbia School Restoration

Pupils of the Jefferson Elementary School district will be given the opportunity this week to join in a state-wide project to restore the old Columbia grammar school. Board of trustees recently approved the acceptance of small donations of school children for the project which already has the blessing of the state legislature, the state park commission and the California Congress of Parents and Teachers.

In 1945 the legislature created of the town of Columbia in Tuolumne county, famed in Gold Rush lore, a state park, located two miles north of Sonora.

Columbia was one of the largest and richest of all mining camps in the Mother Lode region. Columbia today is much the same as it was a hundred years ago. It is almost untouched by progress. The buildings on its main street create an atmosphere of early California that is not duplicated elsewhere in the state.

One of the finest buildings ever built in the Mother Lode was the old Columbia grammar school constructed on Cemetery Hill in 1860. It is a two-story brick building of 3400 square feet. The school grounds are a part of the state park area and are owned by the state.

The state architect estimates that restoration of the school will cost approximately $100,000.

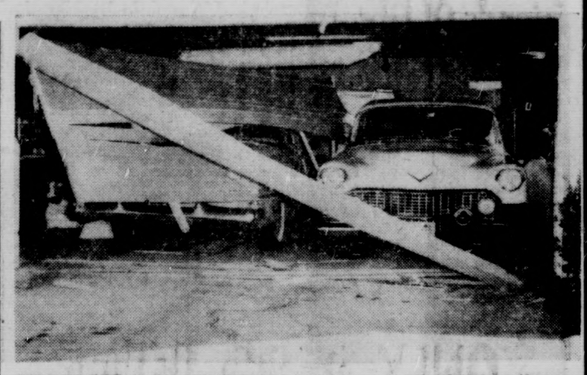
It would be impossible to find another school building in California possessing the historic factors which make the school so suitable as a shrine to public education and to the early development of California's great school system.

Irish Independence Anniversary Dance

The fortieth anniversary of the Declaration of Irish Independence will be observed by the Irish colony of San Francisco and of Daly City in the K.R.B. Hall, 1133 Mission street, San Francisco (near Seventh street) on Easter Sunday night, April 1, under the auspices of the Irish Republican Clubs of San Francisco.

Popular American dances will be on the program and the Old Country polka sets and other favorite numbers will be featured to the music of the Shamrock Band. During intermission, Jack Henning of the Irish Historical society will pay tribute to the men and women of Easter Week 1916 and to the martyrs who died in the cause of their country's freedom.

The project is sponsored by the California Teachers' association and is conducted locally by the Jefferson Classroom Teachers' association.



WRECKAGE but no serious injuries resulted when a parked auto suddenly smashed through a partially opened garage door Thursday and lodged into a freezer at the rear of the garage. Owner of the car, Victor A. Johnson, 1 Ashland drive, was opening the door when the accident occurred. He was thrown over the top of the vehicle but luckily suffered only cuts and bruises. Johnson's wife and children were waiting in the auto at the time of the run-away but were unhurt.

BUSINESS IS GOOD

Art Colvin Says

Here are 5 reasons why my office is selling more homes in this area than any other office:

1. We do more advertising, both locally and in the metropolitan papers, than any other office.
2. We hold more homes open for inspection than any other office, thus giving more people an opportunity to see your home.
3. My staff of licensed salesmen (20 strong) is the largest and most active in this area.
4. I personally have sold more homes in this area in the last 5 years than any salesman in the resale business.
5. We cooperate 100 per cent with all other offices on the sale of your home.

Friends Of Library Membership Grows

Community interest in the Friends of the Library group is growing as evidence by the increasing number of memberships throughout Daly City, the Broadmoor area, and Colma, according to Mrs. U. R. Kendree, vice president.

Among the organizations that have joined the Friends of the Library are the Westlake Improvement association, Broadmoor Property Owners association, James L. Snell PTA, and the teaching staffs of the Benjamin Franklin and Olympia schools.

Value of library facilities to the children of the community was stressed by Miss Tobias, principal of the aforementioned schools, who said, "Good books from the library aid greatly in the reading habits of our children."

Recently adopted bylaws of the Friends of the library provide for charter membership by May 1. Individuals and organizations in sympathy with the aims of the Friends are urged to join during the charter membership drive For information call Mrs. Forrest Cunningham, PL 5-5783, or send dues directly to Mrs. Howard Stites, treasurer, 34 Northgate avenue. Dues are set at $1 for individual memberships; $5 for organizations or firms; and 50 cents for student members with the eventual aim of forming a Junior Friends of the Library group.

Plans are being made for the next meeting of the membership. Announcement of the date will be made soon.

COMMUNION ON TWO DAYS FOR LUTHERANS

Communion will be celebrated at both Holy Thursday and Good Friday evening services at 8 at the Lutheran Church of Our Savior, located at Junipero Serra and Garfield in San Francisco. The Rev. Luther M. Schliesser Jr., pastor of the church will also conduct a one-hour service on Good Friday afternoon at 12:30, which will not include communion. On Easter Sunday he will preach on "My Savior and Me—His Victory" at both morning worships, 8:30 and 10:40. This sermon will again be broadcast over stations KEAR and KXKX-FM at San Francisco between 11:00 and 11:30.

Venturi Gets Invite To Masters Event

Ken Venturi, San Francisco amateur golf champion, became the first recipient of an invitation to the 1956 Masters tournament, April 5-8, by a vote of the former Masters champions Saturday.

A new regulation this year governing this tourney permits the former Masters winners to name one player, either amateur or professional, who does not qualify under the other regulations. A lot of good young pros were passed up in favor of Venturi.

Harvie Ward, national amateur king, who Venturi downed 5 and 4 in winning his third city title, recently will also compete in the Masters.

Ward Links Winner With Record Score

National amateur champion Harvie Ward of Parkmerced shaved six strokes off of his tourney record six strokes off par for the second straight day, and breezed home the winner in the annual Palm Springs invitational 54 hole men's golf tournament Sunday.

Ward shot his second 64 in a row over the par 70 course Sunday to wind up with a composite score of 65-64-64—193. That's 17 strokes under par, and smashed the old tourney mark of 199 held jointly by Ward and two others.

Dr. Bud Taylor, who won the event last year in a playoff with Ward, was runnerup with 198, also under the old record.

Pack 248 "A's" Rout Foe For Second Win

Gary, Mendoza pitched and batted Cub Pack 248's "A" baseball team to a 16-0 rout of Pack 104 last weekend for the 'A's second straight win, but the 248 'B's' lost a 15-14 thriller to Pack 1.

Mendoza pounded out five hits in five trips to the plate, including a home run, and pitched the last three innings for 248. Barney Colangelo pitched scoreless ball for the first four innings and contributed three hits, including a home run.

Spencer Bader and Tom Asaro also socked homers for the power-packed 248s. Bader and Fotenos each collected three safties and Asaro had two. In all, the 'A's banged out 18 hits.

whacked five hits in six tries, one good for three bases, but they were all in vain as the 248 'B's dropped a one-run decision.

The 'B's got 19 hits in all. Losing pitcher Mark Biagi fanned 11.

The 248 'A's face Pack 84 at Balboa park this week, while the 'B's take on Pack 36 at Aptos.

Salvation Army Group Plans Luncheon Meet

The local Salvation Army committee announces a luncheon and meeting on Friday at 12 noon at the home of Mrs. Lyal Ingersoll, 439 Crocker avenue. Guest speaker will be Miss Mildred Erickson who will present an informal talk on "Welfare Problems."

Proceeds from the luncheon will benefit the Salvation Army fund.

MRS. DORIS CRAIG of 231 Hillcrest drive and Mrs Jeannetee Laidlaw of 186 Los Olivos recently spent a winter holiday in Reno. They enjoyed the Bright Lights tour, a package round trip air excursion to Nevada's entertainment capital.

Notre Dame Announces Confab Representatives

Representing the Music Department of College of Notre Dame, Belmont, at the Annual California Music Educators' association, held this year at Santa Rosa, will be Sister Emilia and Sister Anthony Marie. The meeting, which began with registration on Monday and continued through Wednesday, was held at the Veterans' Memorial Auditorium.

Bill Hix Takes BYA Basket-Shooting Contest At Jeff

Bill Hix won the Broadmoor Youth association's basketball shooting contest for 11-12 year olds with Cornell Holmes Thursday night at Jefferson high school gym.

Ron Johnson won the 10-year old division, while Wayne Podesta topped the nine-year-olds. The eight-year-old class was won by Jimmie Harris in a shootoff with Steve Bartelmez.

Other boys who participated were Garret McDonald, Jack Berlin, Gary Guaraldi, Mike Kearny, Wayne Howell, Bruce Hix, Jim Orlich, Stewart Brown, Larry Tivis, Bill Irvine, Tom Dillon, Ron Warner, John Heick, Ron Baker, Larry Baker, Chris Cain, Wayne Smith, Wayne Bonser, Darrow Snow, Wayne Snow, Norman Guisti John Bartemez and Doug

Youth Must Prove License Possession

Eugene Paul Anderson, 18, 123 Amapola, Vallemar, was given until April 12 at 9:30 a.m. to show proof that he has a driver's license by Municipal court after he was arrested on a charge of driving without a license this Thursday by Daly City police.

Anderson, driving a 1937 coupe without license plates, was stopped at 88th and Sullivan streets by police, and produced a Nevada license. A subsequent check of his license record revealed that it had been suspended January 1, 1956.

The auto was taken to the Broadmoor police department, since the rear wheels and tires were believed to have been stolen.

Broadmoor police chief Ray Savage said that a representative of Hert's Used Cars identified the wheels and tires as those stolen from a car on Hert's lot, but that police were waiting to hear Anderson's story before any action was taken.

GIRL SCOUTS PLAN TOUR OF COKE PLANT

Next Thursday girl scouts will visit the Coca Cola plant in San Francisco. The girls will have to go in two groups. The following troops will meet in the lower parking lot by the Garden Village school. Each Troop is to provide its own transportation. The groups should be loaded and ready to leave the parking lot by 9:30 a.m. The cars providing the transportation may be left in the garage at the plant so parking will not be a problem. This is not an individual troop activity but a joint neighborhood trip, according to Mrs. Eileen Ney Winter, publicity chairman.

Mariner Ship 4, Mrs. Hansen; Scout Troop 150, Mrs. Kureger; Scout Troop 24, Mrs Mori; Scout Troop 129, Mrs Zanone; Brownie Troop 81, Mrs Ecker; Brownie Troop 139, Mrs. Spencer; Brownie Troop 30, Mrs. Hirshberg; Brownie Troop 280, Mrs. Baumgartner.

The following troops should meet and be ready to leave the Garden Village School lower parking lot by 1:30 p.m.:

Mariner Ship 13, Mrs. Damon; Girl Scout Troop 23 Mrs. Flint; Girl Scout Troop 29, Mrs. Heick; Brownie Troop 183, Mrs. Hagerman; Brownie Troop 276, Mrs. Alexander; Brownie Troop 219, Mrs. Smith; Brownie Troop 222, Mrs. Divers; Brownie Troop 112, Mrs. McBain; Brownie Troop, Mrs. Terry.
